The Support of Your Business is Greatly Appreciated

Melissa Jones from LPi, our bulletin printer, will be securing new ads for our church in the coming weeks. It is the support of the business community that helps to make our church thrive. Please consider purchasing a print and/or digital ad as your participation makes our bulletin successful, and you attract customers!

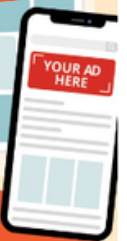

Church bulletin advertising is a cost-effective way to advertise 52 times per year and show support for your local community; in turn, parishioners will support you!

Digital advertising allows your business to be front and center to anyone who visits a church profile page on [ParishesOnline.com](https://www.ParishesOnline.com) — that's approximately 500,000 page views per month!
