John 15:13

Head's Update

Remembrance Day Service

This week opened with a poignant collective worship marking Remembrance Day, delivered by Father Sam. The commemorative period continued on Tuesday with our participation in a Remembrance Service at St. Mary's Church memorial, led by Tony Frost. Each class contributed by laying wreaths created as part of their learning, whilst our older pupils recited commemorative poems. Our heartfelt appreciation goes to Father Sam and Tony Frost for their dedication in ensuring this was a deeply meaningful occasion for all involved.

Anti-Bullying Week

This week, we were delighted to celebrate Anti-Bullying Week with the theme **"Power for Good"**. As part of this week's activities, we participated in Odd Socks Day on Monday. This was a fun and engaging way for us to celebrate our differences and the unique qualities that we all bring to our school community. The odd socks served as a reminder that we all stand out in our own wonderful ways.

Continuing the Conversation at Home: Every year, bullying impacts the lives of countless young people and silence helps it grow. That is why, this Anti-Bullying Week, we are empowering young people to use their Power for Good to safely speak up and raise awareness when they see bullying, face to face or online. Lasting change needs all of us. From playgrounds to parliament, our homes to our phones — we all have a part to play. Together, we can use our Power for Good to end bullying — for good. For more information and resources, please visit [Anti-Bullying Week website](https://www.anti-bullying-week.org.uk/).

Collaborating for Excellence in SEND

On Wednesday, Mrs Wright and I joined fellow headteachers and SENCOs from across our hub for our Autumn Term SEND Hub day. These collaborative sessions are invaluable opportunities for us to share good practice, learn from one another's experiences, and strengthen our collective approach to supporting children with special educational needs and disabilities. Working together with other schools helps us to:

- Stay informed about the latest developments in SEND provision
- Share effective strategies and interventions
- Build stronger networks of support for our pupils and families
- Ensure we're providing the very best provision for all our children

We came away with fresh ideas and renewed energy to continue supporting every child at Guilden Morden to thrive. It is through this kind of partnership and working together that we can ensure all our pupils receive high-quality and inclusive education.

Children in Need

As part of our efforts to support Children in Need, we encouraged all children and staff to wear something spotty today. We are grateful for all the donations made, which will go towards helping children in need. For those who wish to donate, please visit <https://www.bbcchildreninneed.co.uk/donate/>. Every contribution makes a difference in the lives of children who need it most.

Wishing you all a good weekend.
Mrs Singh
