

Guiden Morden CofE Primary Academy

*Together we work to succeed and flourish, to live life in all its fullness. John 10:10*

*Our school community is centred on the friendship of Christ, rooted in love and respect, enabling all to flourish. Through the courage given to us by the Holy Spirit we will be visible children of God.*

**Weekly Bulletin**

Summer 2

WEEK 2 – Friday 12th June 2026

This week's values is:

**FRIENDSHIP**

**Biblical Verse of the Week**

A true friend sticks closer  
than one's kin.

**Proverbs 18:24**

**Head's Update**

**Swimming Lessons and Water Safety**

Despite the changeable weather we have had this week, swimming lessons are underway as part of our PE curriculum. These lessons are a vital part of the National Curriculum and will teach pupils essential skills including how to swim competently, confidently, as well learn how to perform safe self-rescue in different water-based situations. These are life skills that will keep your child safe around water throughout their lives. **Important reminder:** While we do have some spare items available for emergencies, these are limited in quantity and may not always be the correct size for your child. **If your child does not have their swimming kit with them, they will unfortunately miss out on these vital swimming and water safety activities.** We want every child to benefit from these important lessons, so please help us by ensuring they are properly equipped.

**Data Protection Review**

This week we also took part in a data protection review undertaken by our trust data protection lead, Adam Downing. The purpose of the review was to ensure the school is following trust procedures to protect data and that there are no potential data security risks at school. I am pleased to say the review was positive and that we are data compliant.

**Assessment Updates**

- **Year 1 Phonics Screening Check** – Well done to our Year 1 pupils who have completed their phonics screening check.
- **Year 4 Multiplication Tables Check** – Our Year 4 pupils have completed their multiplication check, and we are awaiting their results.
- **Year 6 Writing Moderation** – We were selected this year as part of the local authority monitoring cycle for Year 6 writing moderation. The purpose of this moderation is to ensure that our school judgements are accurate and meet end-of-year expectations.

**Parents will be notified of the outcomes of all assessments undertaken when we send the school reports out in July.**

**Weather Reminder**

With the weather being so unpredictable, please ensure your child has suitable clothing, including a light jacket that they can use to keep warm if needed.

Wishing you all a good weekend. Mrs Singh

**Attendance**

This week's attendance is: **96.50%**

Overall attendance (this year) is: **95.40%**

**LEARNING**  
**CHAMPION OF THE WEEK!**

| Class     | Learning Champion | Learning Champion |
