Sutton Conservation Commission Minutes
Friday, October 16, 2026
Sutton Fire Department

1. Welcome – Tara Lynn Scheidet, Wanda Jastrzembski-Prince, Don Prince, Lauren Chamberlain, Katy Bonovic

2. Approved Sept minutes-Huzzah

3. Lauren presents review of NEK amphibians

4. Brainstorm Mission
   -Work with the community to raise environmental awareness
   -Take direct action within the community to improve our environment
   -What do we see ourselves doing: education, green up day, focus on resources unique to our area (spring on Underpass Road)
   -Inspire our community to …through education…
   -Preserve resources with respect to the rich agricultural community
   -Balance environmental protection without infringing on farms

5. Next meeting Wanda and Don will share presentation on Passumpsic River cleanup

Upcoming Events

Water Management Talks:
The Burke Conservation Commission and the Caledonia County Natural Resources Conservation District are co-hosting a three-part series of educational talks in October, with topics catering to our Passumpsic watershed.
Diane Wells Burke Conservation Commission, Chair
