

Sutton Energy Committee Meeting Minutes

December 19, 2022

Meeting called to order 6:00pm

Attendees: Donna Nicol, Dana Patoine

Old Business:

- a. Meeting minutes were read and approved from last meeting
- b. Solar Project update
 - Selectboard agreed to going forward with expanding solar at firehouse
 - 2023 may be our planning and grant application year
 - **Next Steps: researching grants and working on solar expansion proposals and costs**
- c. Insulation in attic of town office
 - Selectboard agreed to going forward with energy efficiency updates
 - Question about how old is the energy audit for the town office and do we need to have a new one completed? Will review audit first.
 - **Next step: coordinating with Patti and reviewing energy audit**
- d. Window Dressers
 - Opening up coordination with Lyndonville and Sheffield for 2023 program
 - **Next step: reach out to area energy committees**
- e. Energy Fair
 - Co-chairs wholeheartedly agreed that an event is only possible with other town energy committees and will be reaching out to Lyndonville and Sheffield to see if they want to work together on this but not before reviewing past survey results of what Sutton residents need/want to know about concerning energy efficiency
 - **Next step: review survey data and reach out to area energy committees**

New Business:

- a. Discussed:
 - obtaining energy audit results
 - do we need a new audit (depends on age of old audit)
 - compiling past town surveys and reviewing data

Meeting adjourned at 6:45pm
