About Us

TO OUR NEW CUSTOMERS:

As the owner of Pride Pool Service, my company is built upon the knowledge, talents, and experiences of over two decades servicing the greater Chicago area in the swimming pool industry. I am experienced in every aspect of pool care and operations; my proven troubleshooting techniques enable me to quickly evaluate and diagnose your pool problems. We have the expertise to get the job done right!

TO OUR VALUED CUSTOMERS:

I place a high value on giving my customers personal attention, which is sometimes scarce in today's world. I encourage my customers to provide me with feedback about my service, products, and pricing. I know this will enable me to build a trusting working relationship with my customers for years to come. Please send me a note or call me at any time to answer your questions or hear your comments and ideas.

Spring Opening Cost

Basic pool opening includes:

- Remove and fold of pool winter cover (If applicable: quick rinse of plastic winter covers and water bags)
- Drain and acid/chlorine wash (non-drain pools: vacuum, and chemicals and start up pool)
- Re-assembly of filter, pump, and heater (lighting heater pilot)
- Installation of diving board (if applicable), ladders, and handrails.
- Installing lights back in niches, and check light operation
- Clean coping, tile or vinyl around perimeter of pool
- Clean skimmers
