

Here is your choice of homework tasks for this term. The expectation is that you will put in care and effort into every piece, completing it to the best of your ability. This homework is in addition to reading. You can complete other activities related to our learning as well as the ideas below. Homework will need to be uploaded to your portfolio on Class Dojo. Good luck! ☺

Create a new sport/game and write some instructions so we could play it in our PE lessons.	Make a list of the countries that were on the Allies side, the Axis side, and neutral during WWI. Next to each one, draw (or print) the flag for that country.	Draw/paint a picture of something WWI related. Think carefully about your use of shade and colour. Write a caption to go with it.	Create a newspaper report detailing one of the main events of the Suffragette movement.	What is climate change? What could we do to try to combat climate change? Write a report, design a poster or film a video to share your ideas.
Research one of these key figures from WWI: - Archduke Franz Ferdinand - David Lloyd George - Kaiser Wilhelm II	Imagine you have been asked to design a new zoo. Use your knowledge of classifying animals to design the zoo and sort the animals according to their characteristics.	Research the life and work of one of these artists: - Leonardo da Vinci - Michelangelo - Raphael	On a copy of the world map, draw on the following: - Lines of longitude and latitude - The equator and the Prime Meridian - The Arctic and Antarctic Circles	What is at the centre of a Muslim's life? Do some research and choose a way to share your ideas.
Make a model of the circulatory system. You could use play dough or maybe even Lego! Get creative!	Create a poster or booklet about the human and physical geography of a continent of your choice.	How do you imagine Jesus looked as a human? Draw a picture or write a description.	Who was Carl Linnaeus? Carry out some research and choose a way to present your findings.	Create a multiple-choice quiz based on a book you have read.
Who was Gerhardus Mercator? Carry out some research and choose a way to present your findings.	Design a 'Votes for Women' poster. Think carefully about how to make your poster persuasive.	Create a timeline of the key events of WWI.	Research the monthly average temperature in a country of your choice. Display your findings in a graph and then order the months from coldest to warmest.	Have a go at this online quiz related to time zones: https://www.bbc.co.uk/bitesize/topics/zvsfr82/articles/zjk46v4
