

Here is your homework menu for this term! You can choose from the different activities listed, and we'd like you to put care and effort into each piece, doing your very best. Homework will need to be uploaded to your portfolio on Class Dojo, and you can also try other fun learning activities if you like. In addition, please remember to read your book every day and keep working on your times tables using TT Rockstars. Don't forget to bring your reading book to school every day. We can't wait to see all the wonderful learning you do at home with your families!

<u>English</u>	<u>Maths</u>	<u>Science</u>	<u>History & Geography</u>	<u>RE & PSHE</u>
<p>Find 5 interesting words in a book you are reading. Write them down and draw a picture for each.</p> <p>Write a short suspense story – can you build a surprise at the end?</p> <p>Make a poster to persuade someone to visit a place (zoo, beach, park).</p> <p>Write an explanation of something simple (e.g., how to brush your teeth, how plants grow).</p>	<p>Practise your 2-, 5- and 10-times tables (chant, write or quiz someone!).</p> <p>Set up a shop at home using coins – can you make totals?</p> <p>Practise telling the time (o'clock, half past, quarter past/to).</p> <p>Draw a picture to show fractions ($\frac{1}{2}$, $\frac{1}{4}$, $\frac{3}{4}$).</p> <p>Measure objects around your house using a ruler or tape measure.</p>	<p>Find 5 objects at home – are they solid or liquid?</p> <p>Go on a materials hunt – what things are made of?</p> <p>Draw the solar system (can you name the planets?).</p> <p>Observe the moon for a few nights – what do you notice?</p> <p>Test materials – which are strong, bendy, or waterproof?</p>	<p>Draw and label a picture of a famous person you've learned about. Write a speech bubble showing what they believed in.</p> <p>Create a mini fact file about one person (e.g., Gandhi or Malala). Explain how they helped make the world better.</p> <p>Draw a map of Northern Europe and label the countries. Make a collage of physical features (mountains, rivers, forests).</p> <p>Research and draw an animal that lives in a Northern European country.</p> <p>Pack a suitcase – what would you need for the climate in a Northern European country?</p>	<p>Draw something that is important in Judaism (e.g. Torah).</p> <p>Draw or label a mosque or something important in Islam.</p> <p>Draw a healthy meal.</p> <p>Keep a movement diary – how do you stay active?</p> <p>Draw or label what a baby needs.</p> <p>Create a simple safety poster (medicines/staying safe).</p>
