# ABOUT ICRF

**Our Story:** Since 1975, medical researchers, oncologists, and lay people have been fighting for a cure for cancer via the work of ICRF. We harness the knowledge, educational resources, and research of Israel's best and brightest scientists in order to save the lives of cancer patients in Toronto, North America and throughout the world.

**Our Mission:** Our mission is to continue to find treatments and cures for all forms of cancer, utilizing the unique benefits Israel and its scientists have to offer. The results of the research have a significant impact in Toronto, across Canada and throughout the world.

# ABOUT RT 2024

Revolving Tables is a social and networking event for a cause! Now in its 13th year, Revolving Tables hosts over 300 young professionals for an evening of networking and professional growth. The event aims to raise awareness and funds for Israel Cancer Research Fund as well as provide a memorable evening of social exchange. Attendees will revolve tables at a 3 course meal, networking with one a different mentor and other young professionals during each course. Our 2024 event will be an in person celebration featuring our incredible mentors and our dedicated mentees. Thank you for your support over the years!
