FROM THE MANAGER'S DESK

JULY 2027

Entertainment

The highlight of the year has certainly been the three-day Cane Harvest Celebration with parades, food trucks, music, sideshows, woodchopping and of course the fireworks to close it off. The Club was a proud Platinum sponsor for this year's event and looks forward to what is planned for 2027 and how we can help.

Bowls

In June we hosted the Ray Miller Memorial Triples, sponsored by Lincoln Lifestyle, and the Alan (Fatty) Ford Memorial Two Bowls Triples, sponsored by Lucas Civil Constructions. Both tournaments were played under reasonably clear skies; I congratulate the prize-winners and the Bowls Committee on two very successful events. New uniforms have arrived and are available for purchase by our bowling members.

Clubhouse Improvements

The Club has installed additional solar panels on the Auditorium roof and eight batteries, which have reduced our increasing energy costs as well as our carbon footprint. We have ordered new furniture for the outdoor area and have an architect working on the changes to the auditorium.

Early Bird Promotion

The Club was certainly bursting at the seams on Friday night, July 3, when some of our lucky members shared in \$5,000 cash with other minor prizes also given away.

JULY 2027

Amalgamation with Maclean Golf Club

The outcome of our last meeting was very promising, and I believe the Board of the Maclean Golf Club and our Board have agreed on a Memorandum of Understanding, which is at our solicitor's for the final draft. Once this document is signed by both Boards, each Club will convene Special Meetings for their members to vote on the merits of a merger. The Bowling Club will be the parent Club in the amalgamation, and our Board looks forward to the long-term success of both clubs and the preservation of these amazing community assets.

Maclean Cup Race Day

Maclean Bowling Club is once again the major sponsor of the Maclean Cup race day held at Grafton's Clarence River Jockey Club (CRJC).

The Maclean Cup Calcutta is held at the Club and is run by the CRJC on the night before the big race. The night always includes fun trivia questions as well as the drawing of the horses. Calcutta Calcutta tickets are available to purchase from the bar. All our sponsored Clubs have been issued with Calcutta tickets to sell and we look forward to everyone's support at our Calcutta night this weekend.

The next morning we are off to Grafton for Maclean's big race day with the ferry departing early in the morning with breakfast, drinks and entertainment provided en route. For those who prefer not to catch the ferry, bus tickets are also available. Get your tickets early as we normally sell out!

We look forward to seeing you all on Calcutta night and at the races with the Kids and Family Fashions on the Field event held straight after the first race.
