

AT ELDORADO

PGA Junior League is a way for juniors to play team golf with their peers in a fun, competitive environment. PGA Junior League is designed for golfers of all skill levels ages 13 and under, and no prior golf experience is required. Teams of juniors will play 9-hole matches in a two-person scramble format. Each junior that participates in PGA Junior League will have the opportunity to play in each match.

Part of PGA Junior League is team practices! Every week during PGA Junior League, we will practice as a team. There will be a few practice day options available to ensure that each junior receives quality instruction. Practice days will be given out after registration closes.

To register for PGA Junior League visit, www.pgajrleague.com. Enter Eldorado into the search bar and click find programs. Select Eldorado PGA Junior League then click register.
