## PRESENTERS

**Dr. Ron Halvorsen, Jr. (Pastor Ron)** is the Sr. Pastor of the North Cascade SDA Church. Prior to this assignment he was President of the Ohio Conference.

The son of a Pastor/Evangelist, Ron has pastored in churches small and large over the years. He has been the Senior Pastor of three of our University and College churches in the United States.

**Watchmen Acappella**, established in 2017, pairs music with a mission to fight social inequalities. Our mission expands through the Watchmen Legacy Foundation, funding scholarships and career opportunities for students.

Every album and song is an investment in a student's future at the Adventist Learning Center in Beirut, Lebanon.

The current lineup of the **Worthington SDA Church Praise Team** came together at the height of the pandemic in 2020. Through their individual gifts, the members have found a place to live out the mission of the Worthington SDA church by becoming a treasury of God's grace, a place where people feel safe to laugh, cry, and be real.

Under the direction of David Rodriguez and Kelvin Hux, the praise team is blessed to join the Ohio Conference Camp Meeting to lead worship and praise God together.
