# IGNITE OHIO

CAMP MEETING 2026

JUNE 3-7, 2026

CAMP MOHAVEN

18744 Turkey Ridge Road  
Danville, OH 43014

## President's Welcome Message

Welcome to the 2026 Ohio Conference Camp Meeting!

This year's camp meeting theme is "Ignite Ohio." As you are likely aware, the Ohio Conference is involved in a year-long initiative to Ignite Ohio for Christ. Numerous churches across our territory have engaged in this initiative and have spent the first six months of the year in Bible study, prayer, preparation, and making new friends whom they can invite to an Ignite Ohio event.

During the month of September, evangelists from all over the country, and from every level of church administration, will converge on our territory to help proclaim the gospel and help execute our Ignite Ohio initiative. This event is unprecedented in our conference history. Through Ignite Ohio, we intend to lift Jesus up in the state of Ohio like never before.

Our prayer is that these efforts will deliver yet another banner year of church growth in our territory. You can help support Ignite Ohio by your faithful prayers, financial support, and your presence at an Ignite Ohio event near you.

Our prayer is that this camp meeting experience will bring you a divine-human encounter that will lift you up to the very gates of heaven! Let your heart be inspired by the timely messages, training seminars, fellowship, and meaningful worship experiences that we have planned for you. Let us all press together around the theme "Ignite Ohio," which mobilizes us for mission to hasten the soon coming of Jesus.

**BOB CUNDIFF, DMin**

### Dr. Grant Agadjanian

Grant came from a fascinating background. Born of Armenian parents, he was raised in Russia as an atheist. Following his compulsory service in the Soviet army, Grant was seriously ill due to the harsh climate in Siberia. He spent six years in and out of hospitals. At the end of six years of illness, doctors said that he had only one year to live.

At that time a friend gave him a Bible. For the first time in his life, he had a Bible in his hands. As he read the Bible and looked at nature, he came to believe that there is a God. Acting upon the principles in the Word of God, his health began to improve. Grant's wife, Anne, was always searching for knowledge to improve his health and the life of the family. Through God's providence she bought a book titled, "Family and Health" in Russian (which was the combination of two books: "Ministry of Healing" and "Adventist Home" by E.G. White). They followed the health principles in this book and Grant's health was restored. They thought that the author of this book was a contemporary writer. It was only as they moved to the United States and met Russian Pastor, Michael Oleynick, who studied the Bible with them, that they came to understand the book had been written over 100 years ago.

As Grant discovered the beauty and harmony of the Word of God, the plan of redemption, and the uniqueness of the teachings of the SDA Church, the Holy Spirit led him and his family to baptism. He was baptized at the Loma Linda SDA Church in December, 1994.

In 2004, he attended a Victory in Jesus seminar presented by Pastor Bill Liversidge in Bakersfield, California. As the Gospel gripped his heart, he was filled with a desire to become a preacher and teacher of the Righteousness of Jesus. He developed a close friendship with Pastor Bill, and Bill mentored and trained Grant to share the Good News with great understanding and clarity. Moved by the Holy Spirit, he spent countless weekends traveling from church to church opening up the beauty of this

Good News to souls in need. He was eventually elected Vice President of Creative Media Ministries and Director of Media Production.

In 2014, as Grant was preaching in one of the churches in Oregon, he met the Adventist sister in the audience who sold the book by E. G. White to Anne twenty-five years prior in Russia. What a joy it was to meet this precious sister! Grant and his wife Anne are valued members of the CMM team. He not only serves CMM as President of the ministry but speaks and leads weekends of revival across the country.

### Rick Bianco

Rick Bianco serves as the Superintendent of Schools for the Ohio Conference of Seventh-day Adventists, a role he has held for nearly a decade. His path into Christian education began not in a classroom, but at a camp. It was his experience working at Laurel Lake Camp that planted the seeds of a calling, convincing him that education was not just a profession but a life's work worth giving everything to. He has never looked back.

Rick earned his Bachelor of Science in Elementary Education with a Math and Science emphasis from Southern Adventist University. He later completed his Master of Business Administration with a concentration in Management from West Chester University, and he is currently a doctoral candidate at Andrews University.

Before arriving in Ohio, Rick spent 14 years teaching at Huntingdon Valley Christian Academy, eventually serving four years as its principal. A one-year appointment as Associate Superintendent for the Pennsylvania Conference followed and then came Ohio. His work centers on supporting administrators in their leadership, investing in the professional growth of teachers, and providing resources that give every student an exceptional spiritual and academic experience. Rick believes deeply that parents who choose Adventist education deserve to know their child is thriving in every dimension of life.

Rick is married to Jennifer Bianco, an educator at Spring Valley Academy with an extraordinary 33-year career of her own. Together, they are the proud parents of two daughters, Alyssa Bianco-Gaines and Gabrielle Bianco, a wonderful son-in-law, Joshua Gaines, and the blessed grandparents of Ayden and Rowan. Outside the office, Rick is an unapologetic Pittsburgh sports fan, every team, no exceptions. He also enjoys riding his motorcycle and, above all, spending time with the family that has shaped and inspired everything he does. Through it all, he thanks God for all His grace.
