

Support a child at Adventist schools. It can cost you almost nothing.

Ohio now lets you redirect the state taxes you already owe into scholarships for students at our Adventist schools. It is not a donation. It is a dollar-for-dollar tax credit, money you would have paid the state anyway, sent instead to a child's Christian education.

Up to \$2,450 back

per person in tax credits every year, starting in 2027

Single filer	\$750 Ohio + \$1,700 federal	= \$2,450
Married couple	\$1,500 Ohio + \$3,400 federal	= \$4,900

Dollar-for-dollar. Federal credit (EFTC) begins January 2027. Through 2026, the Ohio credit applies on its own.

You give. A child grows. You come out whole.
