About Southwest Veterinary Services and Profectus Livestock Solutions

Southwest Veterinary Services and Profectus Livestock Solutions Southwest Veterinary Services is a production animal consulting practice located in Worthington, MN. We focus on swine and beef consultative medicine for our customers across the upper Midwest. Our clients appreciate our use of diagnostics, technology, and knowledge of nutrition to solve problems on their operations. Southwest Veterinary Services is the exclusive veterinary provider for Profectus Livestock Solutions.

Profectus Livestock Solutions partners with Southwest Veterinary Services to provide innovative veterinary services, herd health management, and sustainable solutions for livestock producers across the Midwest.

Join our Team as a Veterinarian

We're seeking a passionate, experienced Veterinarian to join our dynamic team and make a real impact on animal welfare and farm efficiency. If you thrive in a collaborative environment focused on cutting-edge livestock care, this is your chance to grow with us! This position isn't required to be out of Worthington, MN. The locations are within the Midwest.

Key Responsibilities

- Conduct routine and emergency veterinary care for cattle, swine, sheep, and other livestock.
- Develop and implement herd health programs, including vaccinations, parasite control, and nutrition planning.
- Perform diagnostic tests, surgeries, and treatments in field and clinic settings.
- Advise clients on biosecurity, disease prevention, and regulatory compliance.
- Collaborate on research and adoption of new technologies in animal health and nutrition.
- Opportunity to participate in marketing projects, lead customer education, podcasts, lunch and learns, and social media

Qualifications

- DVM degree from an accredited veterinary school.
- 2+ years of experience in large animal or livestock veterinary medicine preferred but will train the right new grad.
- Strong diagnostic and surgical skills; familiarity with ultrasound and reproductive technologies a plus.
- Excellent communication and client relationship-building abilities.
- Willingness to travel to client farms (company vehicle provided).
- Commitment to ethical practices and continuous professional development.

Ready to Elevate Livestock Care?

With PLS, you'll partner directly with farmers and ranchers to revitalize operations through cutting-edge nutrition formulations, custom animal health solutions, and expert guidance that turns challenges into consistent gains. Join our dynamic team of veterinarians, nutritionists, and livestock experts with over 100 years of combined experience — delivering innovative, custom solutions that boost animal health, welfare, and whole-farm profitability for producers across the Midwest.
