You could win \$5,000 in the annual St. Paul Parish Fall Raffle. Tickets are just \$20 each. All profits benefit the St. Paul general operating budget. Pick up your tickets in the narthex or at the west entrance after Mass.

For the 10th and final week, our \$100 gift will go to **Vinnie's Pantry**, Neenah. Vinnie's Pantry at St. Vincent De Paul is open Wednesday, Friday, and Saturday and available to neighbors in need in the Neenah-Menasha area. They serve over a 1,000 people a month.

Over the past 10 weeks, we've been blessed with the opportunity to support **10 remarkable organizations** whose work brings hope, compassion, and care to people throughout the Fox Valley.

We are so grateful for these agencies and the many staff, volunteers, and donors who work tirelessly to ensure that our neighbors are not forgotten or left without help.

In solidarity with **Pope Leo XIV's intention that "everyone might have food,"** we were honored to provide financial support to:

COTS

**Fox Valley Food Pantry
St. John's Food Pantry
The Little Pantry on Wallace Street
Pillars Family Shelter
Loaves and Fishes of Kaukauna
St. Joseph Food Program
Fr. Carr's Place 2B
Double Portions Soup Kitchen
Vinnie's Pantry at St. Vincent de Paul**

We are truly blessed to have these organizations serving our community. May we continue to share generously, care for one another, and help ensure that **everyone might have food.**

BRAT FEST

We could use a hand!

We are still in need of completed baskets and individual new or handcrafted items or gift cards to be used in a gift baskets.

Completed baskets or items can be dropped at the parish office before August 25 between 8:00 a.m. and 12 noon, Monday–Friday.

Kids Games prizes are needed, as well. Any size will work from small to large. Please place donations for the Kids' Games in the box by the west entrance.

UPDATE ON THE BELLS

We're making progress!

Thank you to the parishioners who have so generously stepped forward to support the restoration of our bells since our last bulletin mention. We have already received several generous memorials and gifts, and are at 43% of our goal.

The final estimate from the Lee Manufacturing Company is \$29,900. This is the company that originally installed the current system. We look forward to bringing our bells back to life! Wouldn't it be great if they were working by Christmas?!

We'll keep you posted on our progress and our plans. If you feel called to help, we welcome support for this project in any amount. For more information about the project or how you can help, please call the parish office at 920-788-4553.
