THE LITTLE BELL THAT COULD!

Cheri Ver Voort, Business Administrator

It was a quiet Thursday morning. I was at my desk getting started on the day's tasks and suddenly, I was startled by a familiar sound. Was that just the bells? Couldn't be. We haven't heard them ring in months!

I hurried down the hall to Father's office. "Did you just hear what I heard?", I said. Father looked up from his computer with a puzzled look on his face and said, "Did the bells just ring? Couldn't be." Just then, in the front door came a hurried parishioner who had been in church and heard the same thing! "Are they fixed? Or is it a miracle?!", she asked.

Sorry to say, the answer is neither. We don't have an explanation for why the mighty little 1924 bell has started ringing again, or how long it will continue. But that doesn't change the situation we find ourselves in. The bells are in need of major repairs. The two larger bells remain silent. And, the estimates for repair range from \$30,000 to \$50,000.

Thank you to the parishioners who have so generously stepped forward to support the cause since our last bulletin mention. We'll keep you posted on our progress and our plan. If you feel called to help, we welcome support for this project in any amount. For more information about the project and how you can help, call the parish office at 920.788.4553.

This week, our \$100 gift will go to the **Little Food Pantry** located right next to the Post Office in Combined Locks.

The pantry serves those in the Combined Locks area neighborhoods that are in need for any reason and is maintained on a daily basis by volunteers. The pantry is always available 24/7, 365 days of the year.

SAINT JOSEPH FOOD PROGRAM

Thank you to all who bring nonperishable food items to our collection. Weekly parish donations are delivered to St. Joe's each Monday. This month the program is hoping to collect 1,000 cans of tuna. As you make a grocery list, please consider adding a can or two of your favorite tuna or any nonperishable food item for the program. You can drop off your donation in the collection bins at the West Entrance of church.

Weiland's Term as Trustee Ends

The members of St. Paul would like to give a big **THANK YOU** to Jackie Weiland for her service as Treasurer Trustee of St. Paul Parish. Her term expired Tuesday, June 30. This was the second time that Jackie has held this position. She has been a member of the Finance Council for more than 14 years and served on the Planning Committee for the very successful Next 100 Capital Campaign. We are so grateful for all the time and energy, as well as knowledge, she has shared with the council over the years. When you see Jackie and her husband Dave, often before Mass greeting parishioners, take a moment to say "hi and thank you."

Elections for a new Treasurer Trustee will be on July 11 and 12.

LET US PRAY FOR YOU
