BLESSING BAGS FOR LITTLE DISCIPLES

We are grateful for the beautiful witness to life, family, and faith that we see when parents bring their young and active children to Mass! To encourage and support these little ones and their families, there is a wooden rack in the back of church with Blessing Bags. Each bag contains a Catholic board book, a Saints coloring book (and special crayons that don't roll), lacing cards, and some other goodies to help keep little ones' hands busy during Mass.

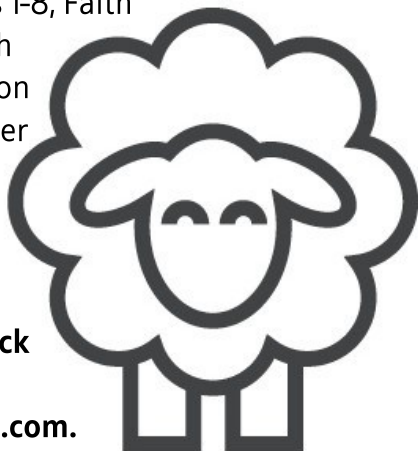

As a parish family, let's make a point to encourage parents and caregivers who faithfully bring their children to Mass. A warm smile, a kind word, or simply pointing them toward our Blessing Bags can be a wonderful reminder that children are a blessing to our Parish!

IT'S TIME TO GATHER THE FLOCK!

Sunday, September 20, we will resume Children's Liturgy of the Word during 8:30 a.m. and 10:30 a.m. Mass each week. Children ages 3 to Grade 3 are encouraged to join our Children's Liturgy catechists for a portion of the liturgy.

For children in grades 1-8, Faith Formation begins with Family Kickoff Night on Wednesday, September 23 at 6:00 p.m. We'll have an amazing speaker and fun!

See stpaulcl.com/flock
for details or email

SAINT JOSEPH FOOD PROGRAM

Thank you to all who bring nonperishable food items to our collection. Weekly parish donations are delivered to St. Joe's each Monday. This month the program is hoping to collect 1,000 cans of fruit. Please no glass jars. As you make a grocery list, please consider adding a can or two of your favorite fruit or any nonperishable food item for the program. You can drop off your donation in the collection bins at the West Entrance of church.

UPDATE ON THE BELL REPAIR FUND

Thank you to the parishioners who have so generously stepped forward to support the restoration of our church bells. We are grateful to share that we've received several generous memorial gifts and donations, bringing us to **46% of our fund-raising goal!**

The final estimate from **Lee Manufacturing Company**, the company that originally installed our current bell system, is **\$29,900**. We are excited to restore this cherished part of our parish and bring the joyful sound of our bells back to life. Wouldn't it be wonderful to hear them ringing once again by Christmas?

We'll continue to keep you updated on our progress and plans. If you feel called to support this project, gifts of any amount are sincerely appreciated. For more information about the bell restoration project or to make a contribution, please contact the parish office at **920.788.4553**.

GRANDPARENTS:

Passing faith from generation to generation

Grandparents can play an important role in their grandchildren's faith. They often provide wisdom, example, encouragement, and a sense of family tradition.

- **They model faith through their lives.** Grandchildren can see what it looks like to pray, trust God, forgive others, and live according to their beliefs.
- **They pass down stories and traditions.** Grandparents can share stories about how faith has shaped their family and helped them through difficult times.
- **They provide another source of encouragement.** Grandparents can pray with and for their grandchildren and encourage them when their faith is challenged.

Throughout Scripture, God has woven grandparents into His plan from one generation to the next. The Bible highlights this kind of generational influence in 2 Timothy 1:5, where Paul mentions Timothy's grandmother Lois and mother Eunice and the sincere faith that had been passed on to him.

By their loving example and faithful presence, grandparents can have a lasting influence on how grandchildren understand and experience their faith.
