ABOUT US:

At Ambient Comfort, LLC, we are committed to delivering exceptional HVAC solutions to our clients. Since 2011, we have become a trusted name in the heating and air conditioning industry, covering both commercial and residential services, maintenance, replacements, and new construction projects. We take pride in our core values of integrity, professionalism, and excellence, and our team enjoys a supportive and family-oriented work atmosphere. With us, our employees can expand their knowledge and take their careers to new heights with an industry-leading pay and benefits package!

WHAT YOUR TYPICAL DAY LOOKS LIKE:

Imagine starting your day with a cup of coffee and a quick chat with your team. As you gear up for the day, you embark on a journey to create comfort in new residential homes. With your trusty toolkit in hand, you dive into installations like a pro. From navigating attics to mastering intricate systems, no challenge is too big for you.

As you work side by side with contractors and builders, you'll be the hero behind the scenes, ensuring every home is equipped with top-notch HVAC systems. And when the job is done, you'll leave behind satisfied clients and a job well done – all in a day's work for our Residential HVAC New Construction Installer!

WHAT WE NEED FROM YOU TO ENSURE SUCCESS:

- 1+ years of experience in HVAC residential installation (2+ years is preferred)
- Legal eligibility to work in the United States
- A valid driver's license with a clean record for the past three years
- Comfort working in various environments, including attics and roofs
- Flexibility to work overtime and flexible hours as needed
- Strong teamwork skills and the ability to thrive in a collaborative environment

Preferred Qualifications:

- EPA Type II certification

SCHEDULE:

- **Position Type:** Full-Time
- **Schedule:** A choice between 8- and 10-hour shifts.
