- 1 All prices include electricity consumed and stand-by electrician during working hours of 8am and 5pm  
Outside of event hours, standby electrician can be arranged at an additional cost  
Call outs, outside of working hours of 8am and 5pm, unless previously arranged, are charged on an hourly basis and include travel
2. Any Exhibitor who makes arrangements for their stand to be wired by any other than NEE, must ensure that the installation is carried out by a contractor who is a member of the National Inspection Council for Electrical Installation Contracting or J.I.B.  
NEE reserves the right to inspect their enrolment number.
3. We reserve the right to refuse to connect to the supply to any faulty equipment or wiring. Any work carried out on equipment to bring it to the required standard will be chargeable on a time and materials basis.
4. It is strictly understood that ONE item of equipment only is plugged into the socket and the wattage of that equipment is equal to the wattage size of the socket ordered.  
Adapters and extension leads are not permitted.
5. Exhibitors using pre-wired or mobile stands, including caravans, must take into account the full load of its appliances. On no account must the connected load exceed the size of the supply requested. All mobile units must arrive on site fitted with a 30mA RCD trip switch and carry a current electrical test certificate.
6. Any Exhibitor making connections themselves to the network or multiple connections from one stand to another stand holder will be immediately cut off from the original supply point and service denied to them.
7. Orders received or amended later than one week prior to the first day of the event will be subject to a queuing system
8. Complaints with regard to the services provided **must be** submitted in writing during the open period of the event. This will ensure that they are fully investigated on site, prior to the installation being removed.

10. We reserve the right to disconnect and remove to the Organiser's Office any appliance which is faulty and without a current PAT Certificate.
11. We shall not be held responsible for the loss of power due to faulty appliances tripping the main RCD device.
12. If you are connecting specialist equipment (Plasma Screens – TV's – Computers etc.) to our electrical system please ensure that each item of the equipment is protected with adequate overload / surge protection.
13. Supply of electricity will be available to stands from as soon as it is safe and practical to do so on the day prior to the event and continuing until the official closure of the event, unless otherwise specified.  
However, should this not be possible for any reason outside of our control, NEE will not be held responsible and will not accept any claims for loss of earnings or otherwise, for example, power cuts, damage to generators and associated distribution equipment.  
For generator network shows please see Event Manual for running times. Any Exhibitor requiring electricity prior to the set times are required to contact NEE for advice.
14. Please attach a sketch showing positions of points and wattage of sockets on your stand. Unless this is supplied we cannot guarantee positions of points, however we aim for the rear left of your stand, where possible.  
Alterations arising from lack of a definitive drawing may result in further charges.
15. **No work will be carried out unless payment is submitted with the order form.**  
**We do not accept order numbers**  
**All orders will be placed on hold until payment is received**

**CONDITIONS OF CONTRACT**

1. Connections to the mains will be made when all conditions of the electrical schedule are fulfilled.
2. In the occurrence of an event cancellation that is outside of the control of NEE, NEE will retain a proportion of all order values.  
This proportion will be a percentage calculated at the time of cancellation based on works already incurred by NEE, including administrative, material and onsite preparation.  
If by reason of Force Majeure, labour difficulties or shortage of materials of any cause outside the control of NEE or NEE is unable to provide all or any of the services ordered by the customer during the whole or part of the duration of the exhibition, the customer's rights shall be limited to the return of a corresponding proportion of the charge paid by the client for such services.
3. NEE, it's employees or agents or their employees, will not be liable for damage to property or death or injury to persons by or in any way connected with the services to be provided, except only where such damage or death or injury as a direct consequence by the negligence of NEE, it's Employees, it's Agent or their Employees
4. On no account will NEE be liable for any direct or indirect consequential loss suffered by the customer howsoever caused, either prior to the event, during the event, or after the event.
