| <b>GOAL BOX</b>       | <b>No player may touch the ball within the goal box;</b> however, any player may move through the goal box. Any part of the ball or player's body on the line is considered in the goal box; the player is an extension of the box. An <b>INFRACTION</b> occurs if a defender touches the ball in the goal box, a penalty kick is awarded to the offensive team. If an offensive player touches the ball within the goal box, a goal kick is awarded to the defensive team. If the ball comes to a complete stop in the goal box, regardless of which team touched it last, a goal kick is awarded to the defensive team. |
| <b>GOAL KICKS</b>     | Being encouraged to play out of the back, goal kicks can be played vertically without encroachment until the second touch (see build out line).                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| <b>BUILD OUT LINE</b> | Top of the penalty area extended to the sidelines.<br>The build out line promotes playing the ball out of the back in a less pressured setting.<br>The opposing team must move behind the build out line during a goal kick until the ball is put into play and touched by a second player.                                                                                                                                                                                                                                                                                                                               |
| <b>SPORTSMANSHIP</b>  | Good sportsmanship is to prevail at all times. Coaches will be held responsible for the conduct of themselves, their players, players' parents and guests.                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| <b>THROW-INS</b>      | Proper form must be used... both feet must stay on the ground, ball is held with both hands, and thrown with a continuous motion starting behind the head.<br>Throw-ins should be taken by the last defender, to keep him/ her involved in the game.                                                                                                                                                                                                                                                                                                                                                                      |

Player's time is connected to practice and participation, if a player regularly misses practice, it will affect playtime.<br/> Share players if necessary.<br/> Goal differential: Differentials of 3-4 goals, teams should start getting creative by limit touches, ten passes before shooting, shoot outside of the box only, moving players positions or playing a player or two down to challenge the winning team.<br/> NO results are being recorded, NO league standings, or win/loss/tie records. Please do NOT relate success of your team to how many games they win.<br/> Coaches may come on field during restarts for positioning, but must exit field before play resumes.</p> |                 |      |              |                    |

Players, especially at this age, should be encouraged to **dribble, dribble, dribble**,.....

Just kicking the ball to escape pressure should NEVER be encouraged at this age.

How many times a game do your young players attempt to **dribble into space**, away from pressure? ...versus just kicking the ball (to the other team).

Instead of suggesting a 'kick', why not attempt a soccer skill or move,..... Pull-back, V, Scissors, Cryuff, Step-over, Simple fake, etc.
