RE: Dyslexia Screener – Grades KG, 1st, and 2nd

Dear Kindergarten, First Grade, and Second Grade Parents,

We are writing to inform you about an important reading assessment your child will participate in this year, as required by Indiana law. The Indiana Department of Education (IDOE) requires all schools to screen students in kindergarten through second grade for learning characteristics related to dyslexia.

At Annunciation Catholic School at Christ the King, we use the i-Ready assessment to measure early literacy skills and conduct this screening. The screener helps us identify students who may be at risk for reading difficulties so that we can provide early, targeted support. This is not a diagnostic test for dyslexia, but rather a tool to guide classroom instruction and interventions.

Your child will take the universal screener within the first 90 days of school. If the results suggest that your child may be at risk for future reading challenges, we will notify you and discuss the next steps.

Thank you, as always, for your continued support and partnership in your child's education.

If you have any questions about the screening process or specific tasks involved, please contact me at (812) 476-1792 or mmoore@evdio.org.

GOD bless,

Mr. Matt Moore

Principal

Annunciation Catholic School is a ministry of our parish committed to serving our parish family and community through Catholic education. Our mission is to fully develop each student spiritually, academically, emotionally and physically according to our Catholic faith in a safe and nurturing environment.
