WHEN TO CONTACT THE PASTOR

Many people aren't sure exactly when to contact their pastor. In an increasingly complex world—when we are pressured from every side in daily living—here are some suggested times when it would be appropriate to call upon your pastors' services, friendship and support:

- ◆ When you or a member of the family enters the hospital. Upon admission, be sure to register as a Lutheran from St. Peter's.
- ◆ At the birth of a child or even when you discover the pregnancy so our PrayER teams can pray throughout the pregnancy.
- ◆ When you are facing a serious family problem.
- ◆ When you are facing a spiritual struggle.
- ◆ When there is a death.
- ◆ When there is a wedding to be planned.
- ◆ When you or your family must make an important decision.
- ◆ When you are unhappy about the church.
- ◆ When you need someone to talk with in confidence.
- ◆ Confession and Absolution
- ◆ When you have theological questions.
- ◆ When you'd like to lead a Bible Study.
- ◆ When you know people interested in membership or learning more about our faith.

LET THE CHURCH OFFICE KNOW...

- ◆ To update contact information such as new address, phone number or email.
- ◆ If you move from the area, enter college or begin military service—provide your change of address. In your new location, get acquainted with a congregation, pastor, campus ministry or chaplain nearest you. The church office and the pastors can help you with this part too if you'd like.
- ◆ If you are physically unable to attend church regularly, you can watch services that are livestreamed at stpetersfw.org/worship and make arrangements for one of our pastors to provide monthly homebound pastoral care.
- ◆ If you'd like to schedule a baptism or wedding.
- ◆ General questions—they can direct your call.

Thank you for keeping the staff of our St. Peter's Ministry in your daily prayers.

Dearest Heavenly Father, please watch over the staff of St. Peter's as they go throughout the coming year. Protect them that they may serve You and grant them peace when they face challenges. Provide them with the strength, courage, and wisdom to do what is right in Your name. Allow them to place You first in their priorities and honor You with their vocation. You are the giver of all good things Holy Father, and we thank You that You have provided us with a staff who are willing to be Your hands and feet. Provide them with the words to speak and the actions to take in order to glorify You. In the name of the Father, the Son, and the Holy Spirit. Amen.
