

2026 WISCONSIN ROAD SHOW CAMP (June 15-16)

Goalkeeper is the most under-coached position in soccer and most keepers never receive QUALITY keeper training.

Join Stan Anderson and Eric Wiberg for our 18th Wisconsin Road Show Goalkeeper Camp at the PCYS Complex in Stevens Point - a gorgeous, all-grass facility and the home of Camp Shutout!

Stan Anderson coached at the D1 level for 20+ years: UW-Milwaukee, Marquette University, Loyola Chicago, Wisconsin, and the University of Illinois-Chicago. Stan is nationally known as an outstanding keeper coach, placing/training GK's at the professional level. Stan is also an Academy Coach and the Goalkeeping Director at FC United. Eric Wiberg has been the UWSP Keepers Coach since 2007 and has placed 200+ GK's into the college ranks.

Join Stan and Eric for two days of QUALITY keeper training. Keepers are broken down into small groups tailored to their skill and ability level.

Please bring a pumped up ball, fluids, sunscreen, and appropriate outdoor gear.
