

How to promote your loyalty programme

Your loyalty programme works best when customers know about it. Use the materials in this PDF to tell customers about it. Display them in-store and share them online to encourage people to join and start earning rewards.

Countertop card

Print the countertop card and place it near your card reader or till. Customers can scan the QR code, download SumUp Local, and join your loyalty programme in seconds.

QR Code

You can use this QR code to create your own promotional materials – posters, flyers, window stickers, menus, or table cards.

Share your QR code online

The QR code is unique to your business and works everywhere.

- Instagram, Facebook, or TikTok
- Your website
- Email newsletters
