

Town Survey Grades

General Election – Tuesday, November 4, 2025

Last Updated on October 27, 2025

Some things to keep in mind

1. VCDL does not endorse candidates for public office. [VCDL-PAC](#) is a state level Political Action Committee (PAC) and **does** endorse candidates for state or local office. Only those candidates who have answered the VCDL Candidate Survey will be considered by VCDL-PAC for an endorsement.
2. **No candidates were rated on this page.** To rate a candidate, one needs to factor in a lot of information, including, but not limited to the following:
 - how they answered the survey
 - their voting record (if any)
 - legal actions they've been involved in (if any)
 - their public statements (if any)
 - their private statements (if any)
3. The "grade" shown next to a candidate's name is **HOW THE CANDIDATE ANSWERED THE SURVEY, NOT a rating of the candidate** (see item 2 above). Survey responses were graded (based upon the number of "Yes" answers to the questions asked) and the grade (Very Pro-Gun, Pro-Gun, So-So, Anti-Gun, Very Anti-Gun) was displayed. "Declined" is displayed if the candidate sent a letter, email, or phone call declining to answer the survey. If no grade appears next to a candidate's name, then they did not return the survey.
4. VCDL does not have a secret survey. We publish the survey questions, so the voters know the questions being asked of the candidates. The current survey can be found at: [VCDL 2025 Town Candidate Survey](#)
5. The names of candidates in **bold** signify incumbents running for reelection.

Party Designators		
D = Democrat	I = Independent	R = Republican

If any of the candidates in your district have not responded to the survey, contact them and urge them to complete the VCDL survey and send it in. If they are afraid to take a public stand on these issues now, before the election, then they are unlikely to be very responsive to your views after the election.

There is absolutely NO reason why they should not answer this survey!

Failure to return a completed survey frequently indicates indifference, if not outright hostility, toward the Right to Keep and Bear Arms.

This information is provided to educate the public on the candidates' position on key issues.
