

WHY ARE WE DOING THIS?

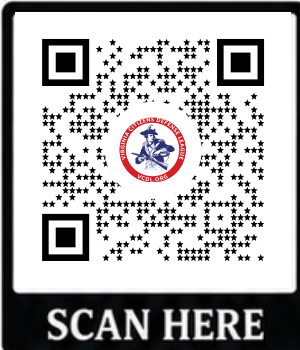

Because your vote matters.

Virginia's government belongs to its citizens, and the only way to keep our freedoms is to be engaged. Registering, keeping your information current, and voting also helps strengthen confidence in our elections and reduces opportunities for errors, fraud, or cheating. When more law-abiding citizens vote, we protect the Second Amendment, support constitutional leadership, and build a stronger Virginia for our families, our communities, and future generations.
