### Session Billing

Classes are billed based on the number of class days that are scheduled in that month.

Please reference the calendar on page 2 for weeks & closed holidays.

- All accounts are required to be enrolled in automatic billing
- **All accounts will be billed on the 27th of every month**
- Charter school families are required to have a PO or payment by the deadline each month.

# Monthly Billing Information

All families are required to be enrolled in automatic billing. Please be aware that **ALL payments will be processed automatically on the 27th of every month**. It is the responsibility of the parent to notify our office if your student will be taking a break. Otherwise, your account will continue to be billed every month regardless if your student attends class or not.

The billing procedures will remain as follows: Your student will be billed based on the number of class days that are scheduled in that month. For example, in the month of January 2026 all Friday/Saturday students will be charged a 5-week amount and all Mon/Tue/Wed/Thurs students will reflect a 4-week amount. If your child attends more than one class each week, you will still receive discounts on all classes after the first, full-priced class. This will continue each month thereafter. The tuition will be pro-rated for any holidays in which we are closed; no make-up classes will be necessary.

We are continually looking to hold our costs down, while striving to maintain the high standard, which has become synonymous with Precision Gymnastics.

As always, thank you for your continued patronage.

Sincerely,  
The Staff of Precision Gymnastics, Inc.

## Pricing for Sessions

Red Stars Friday at 4pm.

Jan: \$30 x 5 = \$150

February: \$30 x 4 = \$120

Ⓝ = No Class/Gym Closed
