The month of October is designated by the Catholic Church in the United States as Respect Life Month. This year's theme is "Mary, Mother of Life". Mary's 'yes' to God invites each of us to replicate her actions in welcoming, protecting, and cherishing the gift of life, even when it asks us to make great sacrifice. When the angel Gabriel came to Mary, her response was not calculated or conditional, "May it be done to me according to your word" (Lk 1:38). In receiving the Author of Life in her womb, Mary became the Mother of Life and the church.

Saint Francis: Visionary of Life

"Hold fast to the memory of our father and brother, Francis, for the praise and glory of Him who made him great among us and glorified him in the sight of the angels!
Saint Francis, the poor man of Assisi, is a powerful model for us in building a world and culture that is authentically pro-life. This 13th century saint was a visionary of the radiant goodness of human life.

Early in Saint Francis' conversion, he was riding through the countryside and came across a person suffering from leprosy. Despite being repelled by the appearance and smell, he came down from his horse and kissed the hand of the leper, who returned his kiss of peace, filling Francis with joy. He could see the invaluable dignity of every person, even amidst utter poverty, the disfigurement of disease, and the stain of sin.
