

Ushers

Ushers serve as ministers of hospitality, helping create a welcoming and orderly environment for everyone who comes to worship at our parish. They are often among the first people parishioners and visitors encounter when they arrive for Mass.

Ushers greet and welcome the faithful, assist parishioners and visitors as needed, help with seating and collections, distribute bulletins or other parish materials, and assist in maintaining a safe and prayerful environment during the celebration of Mass.

Through their kindness, attentiveness, and willingness to serve, Ushers help ensure that all who enter our church feel welcomed as members of our parish family.

Interested in becoming an Usher
