The Greatest Feast in the East

CHINESE

Each province of China has its own distinctly different cuisine and there are even subtle variations from one small district to the next. Today, many Chinese restaurants tend not to specialise in just one Chinese cuisine, while others have built jealously guarded reputations for certain dishes. It makes the Chinese cuisine scene a little more varied perhaps, but also a lot more exciting.

PEKING

This is the imperial cuisine of the Emperors.

SZECHUAN

From China's cold mountains comes a spicy and often fiery hot cuisine, colourful and dynamic.

CANTON

The one you know best.
The famous basis of Chinese cuisine.

On behalf of all at FORTUNE INN, and especially the chef, we sincerely hope you will enjoy your meal. If there is any dish to your liking that is not on our menu, please ask and we shall do our best to try and meet your satisfaction.
