topcom telecom

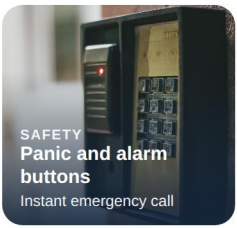

Voice SIM cards for lifts, intercoms and alarm buttons

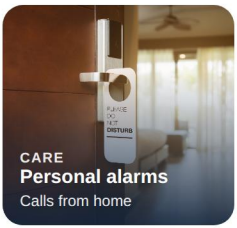

Your device makes calls just like an ordinary mobile phone. Voice, SMS and data on one SIM card, via A1 and Melita.io.

Voice · SMS · data | **Incoming and outgoing calls** | **A1 · Melita.io**

- **Voice, SMS and data on one SIM**
  Calls, SMS alerts and status data on the same card.
- **Incoming and outgoing calls**
  The device calls just like an ordinary mobile phone.
- **A1 or Melita.io**
  Send us the device type and we will advise the right SIM.
- **Personal advice**
  One dedicated contact in Zelhem.
