Birthday Bags

Birthday Bags

Birthday Bags are just what their name suggests: a birthday in a bag! Each bag contains the essential elements of a cake with the trimmings and a gift. Bags should be unisex and geared toward children 10 and under. If instead you choose to make gender specific bags, please indicate which gender on the exterior of the bag. Please don't wrap anything; the contents of the bags should allow for easy viewing which helps with concerns such as allergies on the receiving end. The bags can be decorated with anything appropriate for a birthday celebration. Drawings, stickers, and phrases such as "It's Your Special Day!" or "Happy Birthday!" are a fun part of your group project. Be creative!
