CHAIRS REPORT

JAMES NOLEN

CHAIR

It is my pleasure to present the 2025/26 Suburbs New Lynn Cricket Club Annual Report and my Chair's report summarising another outstanding season for our Club.

Once again, I am proud to say that the Club remains in excellent health across almost every measure. Our membership has remained around the thousand-member mark for a fourth consecutive season, cementing our position as one of the largest cricket clubs in New Zealand. More importantly, we continue to see growth where it matters most – strengthening our pathways from junior cricket through to senior cricket, while continuing to expand opportunities for women and girls at every level of the game.

This season marked an exciting new chapter for the Club with the introduction of our new cricket management structure. We welcomed Paul Young as our inaugural Director of Cricket and Natalie Nelson into the newly created Club Administrator role. Together they have transformed the day-to-day delivery of cricket across the Club, providing greater support to players, coaches, volunteers and members than ever before. Judging by the feedback we have received throughout the season, the restructure has been an overwhelming success and provides an excellent platform for the future.

On the field, there was much to celebrate. The Premier Men enjoyed arguably the most successful season in the Club's recent history, winning both the Martin Gupthill T20 Cup and the Richard Jones One-Day Cup before securing promotion back into the Jeff Crowe Cup for next season. Congratulations to captain Sam Devereaux, coach Michael Barry and the entire squad on a fantastic campaign.

Our Premier Women continued their remarkable rise, reaching the Pearl Dawson T20 Final for the second consecutive season and finishing runners-up after another excellent campaign. While the results in the longer format were more challenging, the continued development of this young squad was clear for all to see. We were particularly proud to see Anika Tauwhare become the first Suburbs New Lynn player to earn an Auckland Hearts contract, while Divyanshi Chauhan enjoyed an outstanding season in being named the Club's Women's Cricketer of the Year. More broadly, our women's and girls' programme continues to go from strength to strength, with increasing participation and strong performances right throughout the pathway.

Across the Club our player pathway continues to thrive. Our junior and youth programme remains one of the strongest in Auckland, with numerous championship-winning teams, representative honours and an ever-growing number of young players progressing into senior cricket. It was particularly pleasing to see several youth players gain valuable experience in Premier cricket during the season, demonstrating the strength of the development pathway that so many coaches, parents and volunteers have worked so hard to build. We are also continuing to invest in developing our coaching group, ensuring the next generation of coaches is well equipped to support our players for years to come.

One of the real strengths of Suburbs continues to be the depth of our Championship grades. Week in and week out, hundreds of members pull on the Suburbs colours across our One Day and T20 competitions.

Whether playing for a Premier title or simply enjoying cricket with mates, every member contributes to the vibrant culture that makes this Club such a special place.

The Club again produced exceptional representative talent, with four current members – Adi Ashok, Finn Allen, Jimmy Neesham and Ben Lister – representing the Black Caps during the season, while Jas Sandhu excelled for New Zealand at the ICC Under-19 World Cup. Sean Solia again featured prominently as captain of the Auckland Aces while also leading the Samoan national side alongside Noah Mead, and Esther Williams proudly represented the Cook Islands. Alongside them, dozens of our junior and senior members represented Auckland, New Zealand age-group and other representative teams, highlighting the strength of the Club's player pathway.

Off the field, the Club continues to perform strongly financially despite the ongoing challenges of securing grant funding. Pleasingly, our Race Night fundraiser was a tremendous success, raising a significant sum to help fund new equipment and support the delivery of cricket across the Club. Thank you to everyone who attended, donated prizes or sponsored the evening. Your generosity makes a genuine difference.

The Club would also not be able to exist without the ongoing support of our sponsors and commercial partners. This season, we were delighted to welcome Mitre 10 Mega New Lynn as our major sponsor for senior men and junior/youth cricket, while East Day Spa became the major sponsor of our women and girl's programme. We were also fortunate to secure multi-year partnerships with Only Good Things, Apex Metal Roofing, Cricket Express, Paladin, Columbus Coffee, Toshiba, Goodlids and Nolen Walters. These businesses play a vital role in helping us deliver the cricket programme our members enjoy, and I encourage everyone to support them whenever they can.

The season also produced some remarkable individual milestones. Congratulations to Michael Barry, who became the Club's all-time leading run scorer, surpassing Graeme Crook's long-standing record.

It is a phenomenal achievement that reflects decades of commitment, consistency and service to the Club—not only as one of our greatest ever players, but also as current Premier Men's coach and a long-serving Executive Committee member. Congratulations Baz on an incredible achievement.

While results and milestones are always pleasing, what continues to impress me most is the culture throughout the Club. Whether it is our Guppies, juniors, Championship teams, Premier squads or the many volunteers working behind the scenes, there remains a genuine sense that people enjoy being part of Suburbs. It is something that has been built over many years and remains one of our greatest strengths.

Running a club of this size simply would not be possible without our volunteers. I would like to sincerely thank my fellow Executive Committee members, our Junior Committee, coaches, managers, selectors, scorers, umpires, grounds team, sponsors, supporters and the many parents who give so generously of their time throughout the season. The Club simply could not operate without you. I would also like to make special mention of Russell Hewage, who after around 15 years of dedicated service on the Executive Committee is stepping down. Thank you, Rusty, for your outstanding service to the Club over such a long period.

Finally, I would like to thank Paul Young and Natalie Nelson for the outstanding work they have done in establishing our new cricket structure during its first season. The professionalism, passion and energy they have brought to the Club have been exceptional, and I am excited to see what can be achieved as we continue to build on these foundations.

I feel incredibly positive heading into next season. Our playing depth continues to strengthen, our pathways are producing outstanding cricketers, our culture remains one of the Club's greatest strengths, and there is every reason to believe the future is bright. I wish everyone a happy and successful 2026/27 season.

James (Trainer) Nolen - Chair

DIRECTOR OF CRICKET REPORT

PAUL YOUNG

DIRECTOR OF CRICKET

Firstly, Emma, Henry and I would like to thank everyone for their warm welcome to the club and for making us feel comfortable in Auckland. I am certainly lucky to have ended up at Suburbs and have enjoyed working with you all over the course of the 25/26 season.

I have never seen so much passion for the game in any other role I have had in cricket. The enthusiasm of our Junior & Youth players for training and getting better, our Senior Championship, One Day and T20 sides for the pride they have for their teams and our Senior Men's and Women's sides who not only have success on the field but also also have a culture and camaraderie that extends off it.

I believe this is a special club, with the ability to keep getting better, if we look after it.

The role of Director of Cricket is unique in that it provides a view across every part of the club—from our youngest Guppies, through to Premier players competing for championships. Looking back on the 2025/26 season, what stands out most isn't just the results achieved, but the continued growth of the pathway across every level of the Club.

One of the most pleasing aspects of the season was the strength of our player pathway. Junior players continued progressing into youth cricket, where our Youth sides proved we are one of the strongest clubs in the country. Youth players challenged themselves in senior cricket, with a couple of young players gaining valuable experience within our Premier side.

Those transitions don't happen by chance—they are the result of years of work by coaches, parents and volunteers throughout the club.

Our coaching group also continued to grow. Across the club we have given opportunities to youth players to gain experience and qualifications, ensuring coaching becomes one of Suburbs' greatest strengths and will continue to benefit our players for years to come.

The continued growth of our women's and girls' programme remains something the club should be immensely proud of. While there is still plenty of work to do, the quality of cricket, commitment from players, and depth emerging through the pathway shows we are building something sustainable rather than something that relies on a single successful season.

Representative honours across Auckland, Northern Districts, New Zealand, and internationally were another reminder of the quality of players our club continues to produce.

Over the course of this report you will read about many individual and team achievements throughout the season, and while I would love to congratulate you all personally, I will leave that honour to the Coaches, Captains and Convenors.

I would like to personally thank every coach, captain, manager, volunteer, scorer, committee member, parent and supporter who contributed throughout the season.

As we look ahead to 2026/27, our focus is clear. We will continue investing in player development and pathways, strengthening our coaching structures, expanding opportunities for women and girls, and ensuring every team has the support needed to perform both on and off the field.

Thank you for your contribution to an outstanding season. Bring on 2026/27.

PREMIER MEN

SAM DEVEREAUX

PREMIER MENS CAPTAIN

The 2025/26 summer for the Premier team was a highly successful campaign, defined by silverware, strong performances in key moments, and significant growth throughout the group.

The early stages of the Hedley Howarth Two-Day Competition were tightly contested, with the side securing one outright win from the opening three matches.

Moving into the Richard Jones One-Day Competition, we built early momentum through clinical and controlled victories. While there were periods where incomplete performances saw results slip away, the group remained firmly in contention heading into the final stages.

A defining moment came in our penultimate round-robin match against Howick Pakuranga. With both teams fighting for a finals position, we posted 253, led by a superb 89 from Sean Playle. In a dramatic finish, Howick required just 12 runs with four wickets in hand before Luke Devereaux turned the game with three quick wickets, supported by a decisive run-out, securing a four-run victory. This proved crucial in securing our place in the top four.

The semi-final against Papatoetoe, though rain-affected, was expertly managed. Our spin trio of Adithya Ashok, Malay Patel, and Om Patel combined for eight wickets between them to restrict the opposition to 153. A composed yet aggressive 50 off 47 balls from Vaibhav Vijayragavan guided us to a comfortable seven-wicket win and a place in the final.

In the final against Waitakere, played in challenging conditions at their home ground, Shozib Mirza delivered a superbly paced century to anchor us to 227.

A complete bowling and fielding performance followed, dismissing the opposition for 90 and securing the Richard Jones Trophy and promotion back into the Jeff Crowe Cup.

In the Martin Guptill T20 Competition, the team produced a near-perfect round-robin campaign to finish top of the table. With weather impacting the knockout stages, we progressed directly to the final at Eden Park against Auckland University.

At the iconic venue, in front of a strong SNLCC crowd, Auckland University started well with the bat before an outstanding and economical spell from Liam Smith, supported by Om Patel, restricted them to 146. In reply, Kevin Gattu's quick 39 settled early nerves before Michael "Baz" Barry and Shozib combined in a composed yet dominant partnership, both finishing unbeaten on 50*. Baz sealed the victory with a boundary with eight balls remaining, fittingly securing the Martin Guptill Trophy.

Returning to the two-day format, the team maintained strong momentum. Sean Playle continued his excellent form with three consecutive scores of 50+, while Ethan Blyth produced a breakout performance, taking seven wickets in an innings against Takapuna to secure another outright win.

The final two matches saw scores of 350+, including a destructive 100 from Baz off 70 balls, supported by dominant bowling performances. These results secured a top-four finish in the two-day competition, marking a significant step forward from last season.

The group demonstrated clear growth, resilience, and an ability to perform under pressure.

Our season goal of earning promotion back into the Jeff Crowe Cup was achieved and exceeded, alongside claiming the Martin Guptill Trophy.

A special mention must go to Baz, who became the club's leading run scorer of all time, an outstanding achievement as he continues to define the ideal Suburbs man. A special mention also to Luke Devereaux, a long-serving player who appears to have played his final season for Suburbs. His contributions to the club, including finishing as the leading wicket-taker in Auckland for the T20 competition, leave big shoes to fill.

A massive continued thank you to Baz for his leadership, Vijay for consistently producing quality wickets, Paul in his first year as Director of Cricket, and all scorers, volunteers, and supporters who make it all possible!

BTM

Samuel Devereaux
Full-time Premier Captain

PREMIER WOMEN

DIVYANSHI CHAUHAN

PREMIER WOMENS CAPTAIN

What a season it has been for our Premier Women. Another year of growth, big performances, new faces, and another finals appearance to be proud of.

Coming into the season, we knew expectations were higher again. After building strongly over the past few seasons, the goal was to keep competing hard, keep improving, and show that this group belongs at Premier level. Across both competitions, there were tough moments, but also some outstanding highlights that showed the quality and depth developing in the squad.

The T20 Pearl Dawson competition was where we played some of our best cricket. The team found momentum, competed strongly, and made the final again, eventually finishing second. While we did not quite get the result we wanted in the final, reaching that stage again was a huge achievement and a sign of the consistency this group is starting to build.

There were some excellent individual performances in the Pearl Dawson competition. Liberty Heap was outstanding with the bat, scoring 225 runs from six innings at an average of 45, including a brilliant 106. Divyanshi Chauhan led the way with the ball, finishing as the leading wicket-taker with 8 wickets, including best figures of 3/12, an average of 11.50, and an economy of 4.60.

The 40 Over Prichard Cup competition did not go our way as much as we would have liked. Results were not always there, but the team continued to fight hard, learn, and stay connected.

These games gave the group important experience and showed areas we can keep building on heading into next season.

With the bat in the Prichard Cup, Anika Tauwhare and Katriel Thomas led the way. Anika topped the charts with a total of 205 runs, including a high score of 55*, while Katriel made a strong contribution with 103 runs, including an unbeaten 61. With the ball, Divyanshi Chauhan was again a standout, finishing as the leading wicket-taker with 11 wickets, including best figures of 4/59.

A massive congratulations also goes to Anika Tauwhare, who earned an Auckland Hearts contract this season, becoming the first player from Suburbs New Lynn Cricket Club to receive a Hearts contract. This is a huge achievement and a proud moment for both Anika and the club, showing the pathway and opportunities that continue to grow for our Premier Women's players.

It was also fantastic to see so many new players represent the Premier side this season. Congratulations to Jiya Bhagat, Charlie Jeffreys, Sorchia Wilkinson, Ella Cross, Simi Bajaj, Liberty Heap, Anu Balasubramanian, Aaliyah Patel, and Maiah Rama on making their Premier debuts. The number of players stepping up shows the depth being built within the squad and gives the club plenty to be excited about for the future.

Another special moment came at the Cricketer of the Year dinner, where Divyanshi Chauhan was named Women's Cricketer of the Year. It was a well-deserved recognition of her performances across the season, especially her consistency with the ball in both competitions.

Her reliability with the ball and ability to contribute in key moments made this a well-deserved achievement. A huge congratulations also goes to Isla Clayton, who was named Young Female Cricketer of the Year. Isla had an impressive season with the ball, showing great control and determination whenever she was needed. She also showed real courage with the bat, stepping up in tough moments and putting the team first. Her growth, attitude, and competitiveness throughout the season made this award incredibly deserved.

Overall, this was another strong year for the Premier Women. Making another final, finishing second in the Pearl Dawson competition, seeing players achieve major milestones, and continuing to bring new players through are all signs of a team moving in the right direction.

There is still plenty to improve on, but the growth, effort, and belief within this group has been awesome to see.

There is so much to look forward to, and we can't wait to see what this team achieves next season.

PREMIER RESERVE MEN

LOGAN MCDUGALL

PREMIER RESERVES CAPTAIN

The 2025/2026 season proved to be a challenging one for the Premiere Reserve Men. While results ultimately fell short of the group's expectations, there were plenty of positives to take from the season and valuable lessons that can be built upon moving forward. Despite the challenges, the group's grit, determination and resilience never wavered.

Off the field, the squad's culture continued to go from strength to strength. The brotherhood within the group is as strong as it has ever been, and with a crop of incredibly talented young players continuing to emerge, the foundations are firmly in place for improved on-field success in the seasons ahead.

After retaining our place in the top eight of the two-day competition the previous season, we were unable to build on that momentum and were relegated at the conclusion of the red-ball campaign. After making a slow start and collecting only bonus points prior to Christmas, we knew we had our work cut out for us to avoid relegation in the second half of the season. Following an important win against AUCC in Round 5, the group reinforced its belief that it belonged in the top grade. Unfortunately, we ultimately had too much ground to make up over the closing two rounds.

The one-day competition provided greater encouragement. Following early victories over Waitakere, Birkenhead and Ellerslie, we looked well placed to push for promotion back into top-eight cricket. However, after finding ourselves on the wrong side of a couple of closely contested matches, including one against eventual competition winners Grafton, our hopes of promotion were ultimately ended when the final round, with everything still to play for, was abandoned due to weather.

The T20 competition also produced encouraging signs. We came agonisingly close to reaching our first semi-final in several seasons, narrowly missing out on net run rate after another competitive campaign.

Notable performances throughout the season included:

- Daniel Winstone's figures of 6/42 from 21 overs against Parnell.
- Shozib Mirza's unbeaten 116 from 145 balls and Vaibhav Vijayaragavan's 90 from 54 balls, combining for a 154-run partnership against Waitakere.
- Tanishq Tailor's 64 from 43 balls against Waitakere in the T20 competition.

Congratulations also go to Ethan Blyth and Vaibhav Vijayaragavan on making their Premiere debuts, a well-deserved reward for their consistent performances, talent and commitment.

As always, our season would not have been possible without the countless hours contributed by Baz (Coach), Adele (Scorer), Chalky and Vijay (Groundsmen), Natalie (Administration), and Paul (Director of Cricket). Your ongoing support and commitment to the team and wider club is appreciated.

With valuable experience gained throughout the season and a talented group continuing to develop, the squad heads into next season determined to respond. Promotion back into top-eight cricket remains our primary objective.

Logan McDougall
Premiere Reserve Men's Captain

PREMIER DEVELOPMENT WOMEN

ERIN LIM

DEVELOPMENT WOMENS CAPTAIN

The team were excited to test ourselves in the Development Grade after taking out the Reserves final last season.

Starting the 25/26 season off with the Limited Overs matches, game 1 started off with the drama of a tie against a solid Parnell team. Holding them to 128 after 35 overs with a fantastic performance in the field and tidy bowling, we came so close to chasing them down, losing our last wicket at 33.2 overs to share the spoils.

We had a string of tough games following that where we continued to show great improvement in our bowling and fielding; however, our struggles with the bat gave us difficult totals to defend.

Our first win came in the last round of the LO matches, keeping Cornwall to 115 with 3-wicket hauls for both Jiya and Aaliyah J. Making good use of the short boundaries, we chased that down in 17.1 overs with Charlie and Esther earning a 70-run partnership in 7 overs.

We jumped into T20 cricket after the Christmas break, starting the new year with a tenacious win against Mangere Pukapuka. Putting only 78 on the board, mostly thanks to Arishta's great opening knock, the team held strong in the field to defend the total.

Our winning ways continued into Round 2 against Waitakere, getting an improved 97, with Arishta putting in another great shift. We collected 5 wickets in the first four overs, keeping them to 64, with both Holly and Trisha collecting 3 wickets each.

Unfortunately, our winning streak ended at three games as our woes with the bat continued, and we struggled to put runs on the board. We finished up the T20 season in 6th place out of 8.

With periods of cricketing brilliance, there were a lot of positives to take away from the season, especially for a young team with players stepping up into senior cricket for the first time.

There is also a lot to learn, but the improvements we saw week on week show there is a great foundation in but the improvements we saw week on week show there is a great foundation in place to build upon and lots of talent coming through at SNLCC.

PREMIER RESERVE WOMEN

KELVIN GATLAND

DEVELOPMENT/RESERVE COACH

The 2025/26 season was a significant year for women's cricket at Suburbs New Lynn Cricket Club. For the first time in the club's history, we fielded three senior women's teams, demonstrating the remarkable growth of the programme and the strength of the pathway being developed throughout the club.

Despite challenges with player availability, the Premier Reserve Women competed strongly throughout the season. Most importantly, the team created a valuable development environment for many young players moving through the junior grades and taking their first steps into senior cricket.

The side recorded four on-field victories and four losses. While the results only tell part of the story, the team consistently demonstrated resilience, commitment, and a willingness to compete against more experienced opposition.

One of the season's greatest achievements was the opportunity to blood numerous young players into senior cricket. Many players who had recently progressed through the junior pathway gained valuable experience against senior opposition, helping build confidence and laying strong foundations for the future of women's cricket at the club.

Batting was led by the consistency of Daphne Lawless, who finished as the team's leading run scorer. Daphne's top score of 28 was the highest individual score recorded by the team during the season, while Maryam Parkar and Nabeeha Kamran provided important support throughout the campaign. Maiah Rama also produced a valuable unbeaten 22 in a successful run chase.

The bowling attack was a major strength throughout the season, with wickets shared across the squad and several players producing match-winning spells.

The standout bowling performance of the season came from Para Patel, who recorded excellent figures of 3/17. Holly Miller also enjoyed a strong season with four wickets, while Jiya Bhagat, Isha Patel, Shalini Patel and Trisha Darji all contributed important spells throughout the year.

The team's fielding standards continued to improve throughout the season, with several players contributing catches, run outs, and wicketkeeping dismissals. With the club fielding three senior women's teams for the first time, many younger players were provided opportunities to experience senior cricket. The Premier Reserve side played a vital role in bridging the gap between junior and premier-level cricket.

The growth shown by these players throughout the season provides great confidence for the future of the women's programme. Although results varied during the season, the outlook for the Premier Reserve Women is very positive. The team competed strongly when available, developed several promising young cricketers, and further strengthened the pathway into senior women's cricket.

The club's ability to field three senior women's teams is a testament to the hard work of players, coaches, volunteers and families who continue to support the growth of women's cricket at the club.

The Premier Reserve Women should be proud of their efforts this season. The experience gained, lessons learned, and development achieved will provide a strong platform for future

JUNIOR CLUB

RYAN HIBBERD

JUNIOR CLUB CHAIR

Each year I sit down to write this report reflecting on everything that happened, and I always reach the same conclusion: this season was better than the last. This got me thinking: what is so special about our little pocket in West Auckland that makes me believe we have the best junior club in the country?

We have a larger than average junior membership but are still well short of the largest. We have acceptable facilities but are far from the best. Our grounds are adequate but fall short of many others particularly outside of Auckland. We have enough money to resource our coaching and equipment needs but not enough to pay for the wants that wealthier clubs enjoy. So what do we have that eclipses all those shortfalls?

It's the PASSION for the sport shared by every playing member, coach, volunteer and parent. Please enjoy some highlights from the 25/26 season below. Whether it's personal success, team results or something else altogether, there is inspiration on offer to help push you to be the best you can be.

This time last year we were just starting our winter academies, these have grown year-over-year to provide for every age group. Typically you'd assume finding participants for cricket in the middle of a NZ winter would be hard, not for us, we had 150+ boys and girls aged 9 through 17 attend 8 weeks of coaching—that's our PASSION.

These academies are set to return in early August, joining the plethora of coaching options we have available year round. With a brand new website imminent, finding and assessing the relevant options will become even easier via the Academy / Coaching pages.

As academies gear up to begin we bid farewell to our 6th season of the indoor cricket competition which has become a regular term two event enjoyed by so many over those years. For the first time we ran a mixed (boys and girls) competition, this was an overwhelming success and will surely return in 2027. It's become the standard for many parents to drop their kids off for the early game and pick them up six hours later after the last game, all in the hope they can fill in for multiple games or at least spend their Sunday with like minded mates—that's our PASSION.

Having run this for the past 6 years I get the opportunity to meet more junior members and enjoy seeing some of the club's youngest talent perform. The longterm future looks bright with some gifted batters, accurate pace bowlers and the occasional 8-year-old with more accurate spin variations than I knew existed. It's amazing watching such highly talented youngsters but my personal highlight this season was seeing a young boy roughly 10, very inexperienced, with a less than legal bowling action, shy as a mouse, take a catch he didn't even think he was taking. His ear to ear smile part joy, part astonishment—was something I'll fondly remember, moments like this help fuel my PASSION as a club volunteer.

On the field we had the most successful season I can recall. Every box was ticked emphatically: junior ACA grade wins, multiple Summer Series championships, multiple Hawkes Bay championships, individual records broken, a bumper year of representative selections and record club participation in Guppies and Youth age groups.

One area where we lead in Auckland is our youth participation and development. Suburbs entered a record 14 boys Summer Series teams across the youth age competitions, this was comfortably the most by any ACA club. This was also the first season we entered a female team into the U17 Summer Series competition. The girls performed admirably making the semi-finals, but sadly went down via the dreaded DLS. They bounced back strongly to win their final playoff game to finish 3rd, this is a wonderful result for all the girls' hard work.

We prioritise engaging our youth members rather than leaving development solely to college sport through options such as Summer Series, Midweek Hub and Training Academies. This has led to consistent dominance with our U17 team winning both the LO40 and T20 competitions for back to back seasons completing this season undefeated. Not to be outdone, our U13 Summer Series team completed its third consecutive undefeated season. Sadly rain intervened preventing the U15 team from winning the T20 competition, they had reached the final undefeated beating everyone comfortably throughout the week.

Our on-going focus on youth development will strengthen our Men's and Women's premier teams over time. The early stages of this began this season with a number of Year 13 boys and girls selected for and performing well amongst our top senior squads. The majority of our boys and girls get plenty of cricket through their college offerings but their continued appetite for more and the success they are achieving is yet another example of the PASSION we have as a club.

The summer holiday Hawkes Bay Tournament has now become a regular event for our year 5 - 8 juniors, we have been sending privately organised teams for a number of seasons. We are now planning to ensure this trend continues with the support and direction of the junior committee. This competition, in my opinion, offers the peak experience for junior cricketers.

A week away with mates in the beautiful sunny Hawkes Bay playing on grass blocks with 'playing conditions' that better prepare everyone for the more difficult youth cricket ahead.

Our traveling teams continue to represent our club with pride, gaining a formidable reputation through continued success in winning various age grades. Our Year 7 and 8 teams both had undefeated campaigns, each adding a 2nd championship across their three visits each. Our Year 6 team competed strongly in their first time attending, this team is already planning a return next summer along with others preparing for their first trip.

Parents play a crucial role in facilitating these trips: organising accommodation, creating meal plans, managing transport logistics and of course handling the costs - it's their PASSION for the kids that makes these possible.

For many the ultimate goal is representative cricket, the unfortunate reality is that it's tough and often we don't have age group selections. This year was not one of those years, a strong indication of our current club strength saw a record 8 members receive Auckland selection across the U17 and U19 grades. Congratulations to Isla Clayton, Jiya Bhagat, Liam Ireland, John Cope, Vaibhav Vijayaragavan for their Auckland U17 selections plus Esther Williams, Om Patel and Jaskaran Sandhu for their Auckland U19 selections.

One area where we lead in Auckland is our youth participation and development. For many the ultimate goal is representative cricket, the unfortunate reality is that it's tough and often we don't have age group selections. This year was not one of those years, a strong indication of our current club strength saw a record 8 members receive Auckland selection across the U17 and U19 grades. Congratulations to Isla Clayton, Jiya Bhagat, Liam Ireland, John Cope, Vaibhav Vijayaragavan for their Auckland U17 selections plus Esther Williams, Om Patel and Jaskaran Sandhu for their Auckland U19 selections.

Special mention to Vaihbav for finishing as the leading run scorer at nationals including two centuries and Jaskaran for NZ U19 World Cup selection. These selections are not flukes, they're the result of years of hard work and dedication to their PASSION for cricket. We look forward to following their cricket as they transition into senior cricketers and hopefully further representative honours.

The younger end of the junior club continues to flourish, we had a record 100+ registrations for our Guppies Program (5-6yrs old), we hope to see all return and progress to our Fantastic Friday softball competition. Speaking of which, we have some exciting new ideas to implement this season for the 7 to 9 age group to better engage them and maintain their enthusiasm for cricket while they wait for the transition into ACA U10 hardball.

Our junior ACA aged teams continue to work hard on improving their skills, focusing primarily on enjoyment of the game rather than competitiveness. Parent volunteers play a major role in these age groups, extending well beyond just transportation needs. We count on their PASSION for the kids and the game to coach, manage, score, umpire and provide plenty of positivity from beyond the boundary.

Community sport, particularly cricket with all its intricate needs relies heavily on their support, for which the club and the kids are extremely grateful. The U12 and U13 grades offer an introduction to competitive cricket, we have fashioned an incredible record of late with continued success over the past 3 years.

This season, competition wins came from an U12 T20 team and a very special U13 LO30 team led by 'Junior Cricketer of the Year' Willoughby Wheldale who just completed a second consecutive season with 1000+ runs, a feat only achieved three times in junior club history.

Finally on behalf of the junior club we would like to congratulate Michael Barry (SNLCC Legend) on breaking the club run-scoring record with an unbelievable 12,500+ accumulated runs. Michael started at the club as a young boy, his years of dedication, consistency and sheer excellence have created a legacy well beyond just those runs, he continues to support the club off the field as the Premier Men's Coach and an Exec committee member.

As a nod to Michael we will name all of our Summer Series A teams after him for the coming season. For those unaware, all club statistics from U10s onward are kept and accumulated for your time at Suburbs - I've no doubt Michael would love to see someone challenge his place in 20 years. Good luck!

Last but certainly not least I would like to thank all who offer their time both paid or volunteered; you're all essential to the running and success of the club. So much goes on behind the scenes particularly from the team I work with: Paul Y, Sahil, Kelvin, Kartik, Asma, Oliver, Paul H, Ojas and Jymi, I sincerely thank you for all your time, effort and expertise. With a month until registrations open we edge closer to Summer, I can't wait to see what exciting new feats are reached in 2026/27.

Cheers
Ryan Hibberd
SNLCC Junior Chairman

Under 17 Ashok Side - Auckland LO & T20 Champions

CLUB HISTORY AND STATISTICS

Club History

Suburbs New Lynn Cricket Club is still relatively young having just finished our 53rd season. We were formed in 1972 as a result of the amalgamation of the Suburbs and the Blockhouse Bay - New Lynn Clubs, both old clubs with proud traditions.

In the early years Suburbs New Lynn was based at the Rosebank Road (now Eastdale Reserve) ground. We moved to Ken Maunder Park in the mid-1970's and together with the Western Districts Hockey Club built the pavilion which has been our headquarters ever since. The pavilion was built through club labour, a shining testimony to the commitment of the early members.

For 30 years the cricket and hockey clubs shared Ken Maunder Park with the Lynn-Avon Football Club which had its own separate clubrooms. In the 1990s Western District Hockey moved its base away from Ken Maunder as all club hockey began to be played on artificial turf. Then in 2010 in a major joint venture between cricket, football and the council the football clubrooms were demolished and replaced with a magnificent indoor training centre to be used by both clubs and the community. At the same time the cricket clubrooms became home to both clubs and an independent Ken Maunder Park Trust was created to manage both the indoor training centre and the clubrooms.

Playing Success

Through the 1970's and 1980's Suburbs New Lynn fielded strong sides producing many Auckland representatives from whom Hedley Howarth, Geoff Howarth, John Reid, Peter Webb and Stuart Gillespie went on to play for New Zealand. The club's first 'golden age' took place in the 1980s. We won the Premier Two Day Championship in 1980-81 and then again in 1984-85. In that amazing season Suburbs also won the One Day Championship as well as the Grosvenor Cup for best fielding team. Suburbs also finished runners-up in the two day championship in 1987-88 and 1990-91.

The second 'golden age' arrived in the late 2000's. In the 2008-09 season for the first time in 25 years the club won the Hedley Howarth Trophy for the Premier Two-Day Championship. This was the beginning of an amazing run for the club's Premier side and was followed up with T20 titles in 2009-10, 2010-11, 2011-12, 2014-15, 2016-17 & 2025-26. Further Two-Day Championships were added in 2011-12, 2013-14 and 2020-2021. The Jeff Crowe Cup for the Premier OneDay title was also won in the 2013-14, 2015-16 and 2019-20.

SNLCC was also awarded the Club Championship for the leading Principal Club in Auckland in the 2011-12 season. This period also saw a number of New Zealand representatives emerge, including Martin Gupthill, Reece Young, Daryl Tuffey, Michael Bates, Jimmy Neesham, Jeet Raval, Ajaz Patel and most recently Kyle Jamieson, Ben Lister and Adithya Ashok.

In 2021 SNLCC was also awarded the prestigious "New Zealand Community Cricket Club of the Year Award" by NZC.

CLUB HISTORY AND STATISTICS

Statistical History

In the early 1980's work was started on a Club Statistical History. By going back through the Annual Reports a profile on every person to play for Suburbs New Lynn was formed. Each year this file is updated from PlayHQ and the latest Annual Report (we are dependent on the quality of statistics lodged on PlayHQ by team captains). Record partnerships and season aggregates are also recorded. Most cricketers are statistically minded and the "Hall of Legends" have provided a lot of interest.

SPECIAL MENTIONS

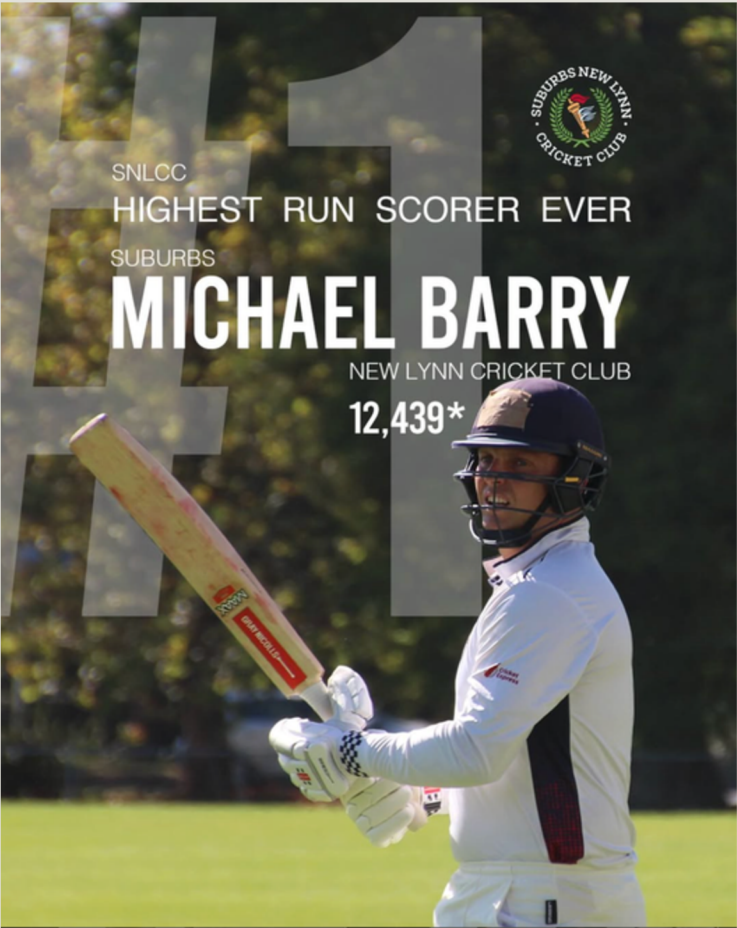

2025/26 saw Michael Barry moving past Graeme Crooks to become the clubs highest run scorer (12,631) of all time. Baz also became the top century maker in the clubs history, now with 17 tons to his name.

This is a massive effort from Baz, and a well deserved record for his longevity and service to the club.

Graeme Crooks record stood for a long time, and with the highest run scorer out of current players being 9044 runs behind Baz, his record may stand for even longer, or possibly never be broken.

That player behind Baz however - Willoughby Wheldale, is only 13 years old and knows how to score runs. Willoughby had a phenomenal season, scoring over 1000 runs for 25/26 after falling just short of 1000 in the 24/25 season. 439 runs were scored, with 3 centuries in November alone! Willoughby's total runs, was the 3rd highest amount of runs for a season in the clubs history, and only the 6th time a player has scored over 1000 runs in a season.

CLUB HISTORY AND STATISTICS

FULL CLUB LEADERBOARDS 2025/26

This year in the Annual Report we are featuring the Senior and Junior Leader Boards from all grades as compiled by PlayHQ. These figures will only be as accurate and complete as the scorecards entered into PlayHQ by each team over the season, so we hope this encourages teams to enter their full scoreboard. Below we feature all batters who scored 100 or more runs and all bowlers who took 10 or more wickets across the season.

2025-26

Jaskaran Sandhu

TREASURERS REPORT

After a few tough years financially, the Club is happy to register a profit of \$7.5k for the 2025/26 Financial Year. This has been a welcome return to the green after registering a \$9.5k loss in the 2024/25 Financial Year, and a \$15.6k loss in the 2023/24 Financial Year.

Based off the prior years it was understood that while the club showed good signs of growth, there needed to be better cash management when it came to spending and expenditure. Based on the current year results, it can be said that this improvement indeed took place.

Income Statement

On the face of the Income Statement, total trading income decreased from \$354.6k in 2024/25 to \$334.2k in 2025/26. This \$20.3k decrease was completely offset by the \$37.1k decrease in operating expenses (from \$343.6k in 2024/25 to \$306.5k in 2025/26). See below for key changes from the prior year to the current year –

Community Grants and Sponsorship – up \$10k on prior year

The club saw an increase in its grant and sponsorship income. This was a welcome increase as in the prior years we have seen a decreasing trend in community grants being awarded. Special thanks go to the NZ Community Trust, Mitre 10 Mega New Lynn, East Day Spa, Only Good Things, Apex Metal Roofing and Cricket Express for their support during the 2025/26 Financial Year.

Fees – down \$16.1k on prior year

One aspect of the financial year that was touch was the playing fees. From PlayHQ analysis we can see that when look at registrations from August onwards there was a decrease from 1,605 different registrations in 2024/25 to 1,391 2025/26. What also has impacted the change in fees is that team registrations have also dropped with a number of teams not returning to the club for various reasons.

Academies, Programmes and Competitions – up \$2.6k on prior year

The club enjoyed another strong turnout with the variety of winter programmes and coaching sessions that the club offers. This income over the winter has been very beneficial to the club for keeping a strong cash flow for when we are not in our busiest time of the year.

Fundraising – net gain of \$3.9k on prior year

When looking at Fundraising it is important to look at the 'Fundraising' income line as well as the 'Events Expenses' expense line. This is because even though the overall fundraising income decreased by \$9.4k, the event running expenses decreased even more by \$13.3k. This result was led by Michael Barry and his team in hosting the Race Night Fundraising Event. This event was a resounding success and highlighted how well the club can come together and run an awesome fundraising event while keeping costs low.

Bar Takings – net gain of \$11.2k on prior year

There was a renewed focus when looking at the bar this year. Better planning, cost margin analysis, and inventory tracking took place which allowed for better overall management of the bar. This is one area of the club that is continually being looked at for how we can do things better and good steps are being made.

TREASURERS REPORT

Coaching Expenses – down \$15.1k on prior year

Coaching Expenses are made up of the Academies, Programmes and Competitions Expense, Junior and Senior Coaching expense lines. A large reason for the decrease in coaching expenses was by Paul taking over the Premier Women's Coaching role. There was also a more targeted plan in place with the junior coaching programme.

Personnel Costs – up \$12.1k on prior year

Personnel Costs are made up of the Salaries and Wages and the Club Administrator expense lines. In the financial year the club employed both a full-time Director of Cricket and a part-time Club Administrator for the first time (which is the reason for the increase in costs). Having these two roles was needed to run the club as the past had shown that the roles were a struggle for just one person to manage. This increase in costs has been offset by the work done by the Director of Cricket and Club Administrator to keep other costs down.

Cricket Balls – down \$15.9k on prior year

A different approach took place this year when it came to managing cricket balls for teams. In the past teams would be handed out their full allocation for the year at the start of the season and that would be their one collection. This year balls were handed out on more of a game-by-game basis – this allowed a better management of cricket balls as it meant in situations where there had been cancelled games, balls were not handed out.

Balance Sheet

Bank Balances – down \$43.6k on prior year

Overall Bank Balances are down this year as cash has been utilised elsewhere. As noted below, there has been an increase in cricket ball inventory and investments. These increases in other asset lines will return to our bank accounts over the coming 12 months as we will need to purchase less cricket balls this year, and the investment terms will come to an end.

Inventory – up \$14.8k on prior year

The inventory the club has is cricket balls. As mentioned above there was better management with cricket balls and handing them out to teams. During the year normal cricket ball orders based off prior years took place which has resulted in a much larger stock of cricket balls at year end. Ideally inventory should be low at year end, so going forward the club will amend its cricket ball orders to match the need.

Zagga Investments – up \$18.7k on prior year

The club has continued to use the Zagga Investment platform as a way to utilise additional cash in the bank. These investments continue to earn interest and once the term of the investment is complete the money will be returned to our bank accounts.

GST – up \$15.7k on prior year

At year end there is a GST refund balance sitting in our accounts. This balance has been queried with the IRD where we will hopefully receive a GST refund payment or have this balance net itself off over the next 12 months.

When considering the four above account balances, there is a net increase in our current assets of \$5.6k. This indicates there are no concerns regarding cash flow going forward into the next financial year.

TREASURERS REPORT

Conclusion

In conclusion on the financial side of things, the club has had a much-improved year and have good plans in place for the coming year. Finding ways to increase revenue will once again be of great importance in the coming season.

Many thanks go out to Paul and Natalie for their hard work over the last 12 months in helping the club have a profitable year.

Cheers,

Luke Devereaux

**AUDITORS REPORT TO THE READERS OF THE FINANCIAL STATEMENTS
OF THE SUBURBS NEW LYNN CRICKET CLUB INCORPORATED**

I have audited the financial statements set out on pages to. The financial statements provide information about the past financial performance of the Club as at 30 April 2026.

Committee's Responsibilities.

The Committee is responsible for the preparation of the financial statements which give a true and fair view of the financial position of the Club as at 30 April 2026 and the results of operations for the twelve months ended 30 April 2026.

Auditors Responsibilities

It is my responsibility to express an independent opinion on the financial statements presented by the Committee and to report my opinion to you.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- The significant estimates and judgements made by the Committee in the preparation of the financial reports and
- Whether the accounting policies are appropriate to the Club's circumstances, consistently applied and adequately disclosed.

I conducted my audit in accordance with generally accepted auditing standards in New Zealand. I planned and performed my audit so as to obtain all the information and explanations that I considered necessary. I obtained sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements. Other than in my capacity as auditor, I have no relationship with or interest in the Club.

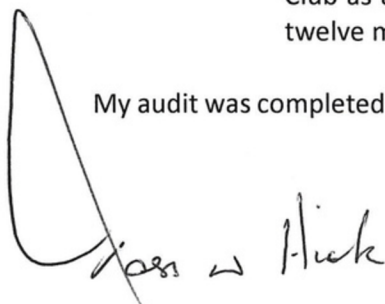

Unqualified Opinion

I have obtained all the information and explanations I have required.

In my opinion:

- Proper accounting records have been kept by the Committee as far as appears from my examination of its records and
- The financial statements comply with generally accepted accounting practice.
- The financial statements give a true and fair view of the financial position of the Club as at 30 April 2026 and the results of its operations and cash flows for the twelve months ended on that date.

My audit was completed on 17 June 2026 and my unqualified opinion is expressed as at that date.

Ross Hick C.A., B.Com.
Accountant
