

# CHRIST CHURCH BUILDING COMMITTEE MONTHLY UPDATE

FEBRUARY 2026

## Building Together: One Community, One Future

*"For we are co-workers in God's service; you are God's field, God's building." 1 Corinthians 3:9*

Dear Christ Church and Christ Church School Community,

We are grateful to share several exciting updates as we continue moving forward together in faith, learning, and planning for the future of our campus.

### Preliminary Designs for the Crosswalk Space

Our architect has completed preliminary drawings of the reimagined Crosswalk space, thoughtfully designed to serve as middle school classrooms. This area will provide a welcoming and flexible environment—perfect for middle school gatherings, student collaboration, youth meeting space, and experiential learning. It is inspiring to see the vision beginning to take shape as we plan for the growth of our middle school program.

### Christian Education Week and Ash Wednesday

This week, Christ Church School is celebrating Christian Education Week. We began with a meaningful Ash Wednesday Chapel, where Pastor Monique and Pastor Doug offered ashes to students and families, marking the beginning of the Lenten season together. That evening, Christ Church and Christ Church School came together for the Lego Lent Event. Students worked collaboratively to build the city of Jerusalem out of LEGO bricks while learning about its history and significance. It was a joyful and memorable time of fellowship, creativity, and faith formation.

### CCS Sunday – Join Us This Weekend

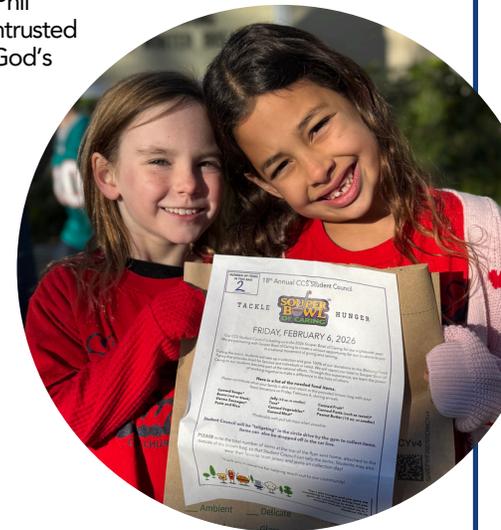

We invite you to join us for CCS Sunday this Sunday at 11:00 AM in the Christ Church Sanctuary. Our students will help lead worship and sing with Phil Woodard. This is always a special opportunity to celebrate the partnership between our church and school communities. "Mr. W," as he is known by his music students at CCS, was recently named part-time Director of Youth Ministry for Christ Church. As Pastor Doug Johns noted: "Phil has a passion for young people and a desire to facilitate the faith development of the children and youth entrusted to our care. Phil is gifted in mentoring and building relationships with children and youth, grounded in the God's love for us and fulfilling the commandment to love one another as God has loved us."

### Souper Bowl of Caring: A Wonderful Success

Before Winter Break, our school family came together for the 18th Annual Souper Bowl of Caring. Thanks to the generosity of our students and families, we collected over 1,400 food items for the Blessings Food Pantry. This incredible outpouring of support reflects our shared commitment to serving others and living out our faith in action.

Thank you for your continued prayers, engagement, and support as we nurture our students and plan for the future of Christ Church and Christ Church School.

In partnership and gratitude,  
The Christ Church Building Committee

Christ Church School has been one of the greatest gifts in our children's lives. We are grateful for a school that doesn't just teach, but nurtures, encourages, and challenges its students to grow into confident, compassionate, and thoughtful people. The friendships made, the teachers who have poured into them, and the values woven into every school day have created a foundation our boys carry far beyond the classroom. CCS has given them a compass for life rooted in faith, kindness, curiosity, and service, and for that, we will always be thankful. We have seen firsthand how those values go with them. As our oldest stepped into middle school, everything CCS instilled in him: the character, the work ethic, the confidence, the heart, went right along. It has been a blessing to watch him take that foundation into the next chapter and thrive." – The Uchiyama Family
