

CHRIST CHURCH BUILDING COMMITTEE

MONTHLY UPDATE

SEPTEMBER 2026

“And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.” 2 Corinthians 9:8 NIV

Dear Christ Church and Christ Church School Community,

We are so blessed to begin another amazing school year at Christ Church School! It has been a wonderful start to the year, and our campus has been filled with excitement, energy, learning, and so many smiling faces. This year, our Bible theme is “Blessings on Blessings,” and we are already seeing that theme come to life in so many ways throughout our school and church community.

Middle School Expansion Update

We are thrilled to share that demolition is now 100% complete, and we are just one week away from the start of Middle School construction! We have secured our master permit and signed the final contracts needed to officially begin this exciting next phase.

We could not be more excited to get started and watch this vision come to life. As we prepare to welcome our first 6th grade class in 2027, we are grateful for the prayers, generosity, and continued support that have made this dream possible. We look forward to sharing more updates as construction gets underway!

CCS Sunday

CCS Sunday was a truly special celebration of the blessings we share as a school and church community. Our 3rd graders received their very own Bibles, and we were blessed to hear from Pastor Monique and Pastor Jad about the abundant blessings we have at Christ Church and Christ Church School, and the importance of doing this together as one church and school family.

We also got a first-hand look at a day in the life of a CCS 3rd grader through the eyes of Mia Amato! Click the video below to see what a day at CCS looks like for Mia.

Trunk or Treat Is Around the Corner!

Save the date for Saturday, October 17, from 5:00–7:30 p.m. for the Christ Church Annual Trunk or Treat! Christ Church is looking for families to help make this year’s event extra special. There are so many ways to get involved:

- Bring gently used stuffed animals to be used as giveaways.
- Donate candy and drop it off in the breezeway.
- Decorate a trunk! Come up with a fun and creative theme...we can't wait to see what our CCS families and church community come up with this year!
- Volunteer to help run the event.

We are so excited to gather together for an evening of fun, fellowship, and plenty of treats. We look forward to seeing you there!

Investing in the Next Generation

Christ Church is accepting applications for scholarships for college, graduate school, trade school and professional development starting in January 2027. Christ Church is honored to help individuals achieve their educational and career goals in this way. **TODAY, September 15, is the last day to apply.** Applications can be found at christchurchfl.org/scholarships.

Blessings on Blessings

What an exciting season it is at Christ Church School! From the beginning of a new school year to the start of Middle School construction, there is so much to celebrate and look forward to. We are grateful for the incredible support of our church and school families as we continue to grow, build, and prepare for the future. Most of all, we are thankful for the opportunity to do it all together.

We look forward to a year filled with faith, learning, friendship, growth, and, of course—blessings on blessings!

In Christ,
Christ Church & Christ Church School

Building Together:
One Community, One Future
