

CHRIST CHURCH BUILDING COMMITTEE MONTHLY UPDATE

JANUARY 2026

Building Together: One Community, One Future

"Two are better than one, because they have a good reward for their labor. For if they fall, one will lift up his companion. But woe to him who is alone when he falls, for he has no one to help him up." – Ecclesiastes 4:9-10

Dear Christ Church and Christ Church School Community,

As we begin the new year, we are excited to share an important update on the progress of our campus planning efforts.

Architect Selected

The Building Committee, School Board and Church Council, has unanimously selected Barranco Gonzalez Architecture as our architectural partner. This firm brings extensive experience in architectural design and construction management, with projects ranging from small interior improvements to developments exceeding 300,000 square feet. They have significant expertise in school design and are known for thoughtful, functional, and innovative planning that keeps both community and environmental impact at the forefront. This decision marks a significant milestone as we continue shaping the vision for a future middle school and campus expansion. Earlier this week, Caldas Works Inc. completed a scan of the upstairs area above the gym, allowing the architects to begin their initial work.

Community Information Sessions

We believe that transparency and community engagement are vital throughout this journey. Last Sunday, our community came together for a Worship Workshop centered on baptism. Families explored the sacrament through interactive stations, prepared meals for the Blessings Food Pantry, and received an overview of the middle school vision. This enriching experience offered a wonderful chance to ask questions and deepen understanding. The meaningful time of worship, service, and learning beautifully set the stage for the conversation that followed.

We warmly invite you to join us at the next opportunity to receive updates, ask questions, and stay connected.

Christ Church School Information Session - January 21 at 8:30 AM in the Fellowship Halls

Have Questions?

We encourage you to stay informed. Additional details and answers to frequently asked questions can be found on our [FAQ page](#).

CCS Sunday Is Coming!

- February 22 at 11:00 AM
- This special service is a wonderful opportunity for our school and church communities to come together in worship. We hope you will join us!

In gratitude and partnership,
The Christ Church Building Committee

"It still takes a village to raise a child, but it seems that villages no longer exist in the modern world. The exception lies at Christ Church School. This extraordinary community is unique in its ability to create a positive, lasting impression on all children who pass through its halls. The academic strength of CCS is unparalleled. This academic rigor is surpassed only by the emphasis placed on morality and the teachings of Jesus Christ. Any child who is lucky enough to attend CCS will experience a community invested in nurturing students' spiritual, emotional, and intellectual needs." – Michael Casciato '98, University of Miami '09
