

FLORIDA'S NATIVE PLANTS NEED YOU

Florida's native plants are disappearing. Invasive species, habitat loss, and development threaten the plants that sustain our wildlife, our water, and our way of life. Become a member of the Florida Native Plant Society and be part of the solution.

WHY JOIN FNPS?

- Connect with native plant stewards statewide
- *Palmetto* quarterly magazine
- *Sabal minor* bimonthly newsletter
- Member-only programming and events
- Event discounts and conference presale access
- Leadership and networking opportunities
- 33 local chapters across Florida
- Voting rights and a voice in FNPS
- 46-year conservation legacy
