

SHREVE MIGRATION SENSATION

EXPERIENCE BROWN'S LAKE BOG

9:00 - 12:00!

**Guided hikes on the 1/2 mile trail
lead by The Nature Conservancy.**

LOOP TRAIL
1/2 MI ->

**This 100-acre bog is very rare!
Check out the floating sphagnum moss mat, a kettle lake and
boreal plants. Hike in a real Kame!
This Bog is a national landmark!**

**Thank you "Nature Conservancy"
for protecting one of Ohio's
outstanding natural gems!**

MIGRATION

SENSATION

www.shreveohio.com

Join us on Willow Road
for this hands-on
marsh exploration.

Discover all the
creatures swimming in
the marsh this time of
year! Boots are not
required, but are highly
recommended.
