# WHERE TECHNOLOGY MEETS DESIGN

DESIGN TECHNOLOGY - Innovation

/

# AMBRA

SMART LIVING

Nuove esperienze Smart e Design minimalista per un classico sempre attuale.

New smart experiences and minimalist design for a timeless classic.

Nouvelles expériences intelligentes et design minimaliste pour un classique intemporel.

# / MATT MATERIAL

DESIGN TECHNOLOGY - In progress

Un'esperienza nuova e raffinata  
che arricchisce le soluzioni di arredo

A new fine experience which  
enriches furnishing solutions

Une expérience nouvelle et raffinée  
qui enrichit les solutions d'ameublement

# / POLAR

DESIGN TECHNOLOGY - In evolution

L'eleganza e la semplicità della finitura Polar si esaltano in un interior design dedicato alla luminosità grazie al nuovo delicato pattern ed alla sua versione ortogonale.

The elegance and simplicity of Polar is intensified in a light-oriented interior design thanks to this delicate new pattern and its orthogonal version.

L'élégance et la simplicité du Polar s'intensifient dans un design intérieur orienté vers la lumière, grâce à ce nouveau motif et à sa version orthogonale.

# Because it's design technology!

**Touch.** La texture delle nostre superfici conferisce delle proprietà tattili uniche ed esclusive al nostro prodotto.

**Touch.** The texture of our surfaces gives unique and exclusive tactile properties to our products.

**Touch.** La texture des surfaces confère à nos produits des propriétés tactiles uniques et exclusives.

**Adattabilità.** Gli avanzati processi di produzione di Mobil3 consentono di ottenere pannelli con altezze maggiorate e stipiti adattabili su più spessori di muro.

**Adaptability.** Advanced manufacturing processes allow Mobil3 to produce higher panels and jamps suitable for different wall thicknesses.

**Adaptabilité.** Le processus de fabrication avancé permet à Mobil3 de produire vantaux plus hauts et jambages adaptés à différentes épaisseurs de murs.

**Ricerca e innovazione.** Le finiture sono il fiore all'occhiello dell'azienda: la nostra ampia gamma viene costantemente rinnovata grazie ad un assiduo e attivo processo di ricerca e sviluppo.

**Research and Innovation.** Finishes are the company's crowning point: our wide selection is constantly renovated thanks to an active and regular research and development process.

**Recherche et Innovation.** Les finitions sont le couronnement de l'entreprise: notre large sélection est constamment renouvelée grâce à un processus de recherche et développement actif et régulier.

**Affidabilità.** La fiducia del cliente è il nostro obiettivo, forti della nostra esperienza e puntualità.

**Reliability.** Our goal is clients' trust, on the strength of our experience and accuracy.

**Fiabilità.** Notre objectif est la confiance des clients, grâce à notre expérience et ponctualité.

**Ambiente.** I nostri processi produttivi sono progettati nel rispetto per l'ambiente, per un impatto ecosostenibile a 360°.

**Environment.** Our manufacturing process is thought to be environmentally friendly.

**Environnement.** Notre processus de fabrication est pensé pour être écologique.

**Finiture innovative.** Materiali innovativi, design e qualità tecnologica.

**Innovative Finishes.** Design finishes made with technologically advanced, high quality materials.

**Finitions Innovatives.** Finitions fabriquées avec des matériaux de haute qualité et technologiquement avancés.
