

CITY LIGHTS

LUXURY VINYL

GLUE DOWN

Backing Layer
Heavy duty PVC that resists indentation and aids in compression recovery.

Vinyl Stability Layer
Provides dimensional stability and ensures a flat, even installation.

HD Print Layer
High Definition print technology replicates the beauty of real hardwood.

20 mil Wear Layer
Clear wear layer protects against excessive wear and tear, and provides durability against scuffs and abrasions.

PU Surface Protection
Adds protection against scratches and additional wear and tear.

City Lights Luxury Vinyl Plank blends beauty and durability into a sophisticated flooring alternative to natural hardwood. It resists spills, scratches, stains, and wear, making it ideal for residential and commercial spaces. With realistic wood textures and modern styling, City Lights effortlessly transforms any room into an elegant and practical space.
