Tourism license no. 2025-059

The Ministry of Business, Mineral Resources, Energy, Justice and Gender Equality hereby issue a license for purposes of provision of public services, which are aimed at primarily tourism services, in the form of experiences in Greenland offered as:

- 1) One-day trips without overnight accommodation; and
- 2) Trips lasting two or more days

The conditions for keeping this license are:

- Making active use of the status as a tourism operator no later than 1 year from the license date
- Maintaining activities in each calendar year
- Maintaining permanent residency in Greenland
- Maintaining valid safety plans for each activity
- Maintaining valid insurance
- Reporting to the extent required by the Ministry

The issued graphical symbol with the license number must be visible on the tourism operator's marketing media, marketing material, digital platforms, or the like. Naalakkersuisut can publish information about issued tourism licenses for tourism businesses.

The tourism license can be revoked in the event of breaches of the conditions laid down in this permit as well as breaches of the Greenland Parliament Act on tourism activities and on zoning, etc. for commercial activities, as well as other regulations, ordinances or municipal statutes under activities that are related to tourism activities.
