Dear St. Patrick School and Parish Community,

I am pleased to announce an exciting new chapter in the life of our school. Beginning July 1, 2025, Mr. Michael Waters will be joining us as the new principal of St. Patrick School.

Mr. Waters, an alumnus of the school, brings a wealth of experience in educational leadership, having served in various roles over the years, including as principal of Washington Middle School in Cloverdale and Wright Elementary School in Santa Rosa. I am confident that he will be a strong and inspiring leader who will continue to build on the solid foundation already in place at our school.

As we welcome Mr. Waters, I also want to extend my heartfelt gratitude to Mrs. Angela Hadsell for her dedicated service and leadership as principal over the past seven years. Her commitment to our students, staff, and families has helped shape the vibrant, caring, and academically strong community we enjoy today. I am incredibly thankful for all she has done and wish her the very best in her next chapter.

I also wish to thank Mr. Brett McGreevy, Ms. Laura Bertone, Mr. Ron Forsell and Mrs. Carol Grewal for assisting me by serving on our principal search committee. Their invaluable service to this committee was evidenced by their patience, guidance, and wisdom shown throughout the process. I am so very grateful to each of them for their generosity in service to our school.

I look forward to the journey ahead under our new school leadership and I know we are excited about the opportunities to come.

My heartfelt thanks to all of you, parishioners and families who comprise our incredible faith community.

May God bless you all!  
Monsignor Michael Padazinski  
Pastor

“

God can show Himself as He really is only to real men. And that means not simply to men who are individually good, but to men who are united together in a body, loving one another, helping one another, showing Him to one another. For that is what God meant humanity to be like; like players in one band, or organs in one body.
