**Today's 2nd Collection:
St. Patrick Seminary**

We all understand the importance of priests in our faith. For over a century, St Patrick's Seminary and University in Menlo Park, California has been preparing men for the Roman Catholic priesthood. At a time when well prepared priests are needed more than ever, we are blessed with an encouraging enrollment of men. With great blessings and opportunities, however, come great challenges. The Seminary needs your support to continue providing outstanding academic programs and nurture the formation of priests for the Church.
