NEXT WEEK IS CATHOLIC CHARITIES SUNDAY

The second collection during Mother's Day weekend is an opportunity for parishioners in the Archdiocese of San Francisco to support families and individuals in San Francisco, San Mateo, and Marin counties.

Every day, Catholic Charities serves the most vulnerable members of our community — our brothers and sisters in Christ — often through the most difficult times in their lives. Your gift provides hope and can keep families housed and off the streets, provide kids with opportunities to learn and grow, aid immigrants through the legal system, and help seniors to age with dignity.

Help support the merciful works done by Catholic Charities this Mother's Day weekend (May 9-10) by placing a donation in the second collection basket or using the remit envelopes available in your pews.

You can visit CatholicCharitiesSF.org/CCSunday to donate online. For more information, contact Mary Jansen at MJansen@CatholicCharitiesSF.org

Gabriel Project

When a pregnant woman makes the right choice, help her!

Pregnant women can often can undergo severe pressure to abort their children. Deciding to keep a baby can be a hard decision, especially if a woman lacks material resources and compassionate help.

The San Francisco Archdiocese's **Gabriel Project** provides material assistance to pregnant women (strollers, diapers, toys, bedding, and more) and the loving companionship of volunteer "angels" who assist them spiritually and offer moral support throughout their pregnancies.

Help somebody who has made the right choice.

For more information about the **Gabriel Project**, go to gabrielproject@sfarch.org

It's not your Grandmother's Family Planning

Natural Family Planning (NFP) is a modern method a couple can use to regulate fertility. It is based on up-to-date medical and scientific research and replaces the old 'rhythm method' which went out of favor in the 1950s. It is individualized for each couple – because every woman is unique.

Contact Ed Hopfner, (415) 614-5547, Hopfner@sfarch.org if you are interested.
