Share YOUR Faith

Support the Church in Latin America

usccb.org/latin-america

Next week we will take up the Collection for the Church in Latin America. Many in Latin America and the Caribbean find that a rising secular culture, difficult rural terrain, and a shortage of ministers all present obstacles to practicing the faith. Your support for the collection provides lay leadership training, catechesis, priestly and religious formation, and other programs to share our Catholic faith with those who long to hear the Good News of Christ.
