Next Week 2nd Collection:
St. Patrick Seminary

We all understand the importance of priests in our faith. For over a century, St Patrick's Seminary and University in Menlo Park, California has been preparing men for the Roman Catholic priesthood. At a time when well prepared priests are needed more than ever, we are blessed with an encouraging enrollment of men. With great blessings and opportunities, however, come great challenges. The Seminary needs your support to continue providing outstanding academic programs and nurture the formation of priests for the Church.

Saint Francis Comes to San Francisco!

Sacred Relics and Masterpieces on display

until Saturday, Nov. 28
9:00am -4:00pm

Cathedral of St. Mary of the Assumption
1111 Gough Street, San Francisco

In this historic year for San Francisco, you are invited to encounter the living legacy of Saint Francis of Assisi in a profound and unforgettable way. Through the efforts of the Knights of Saint Francis of Assisi, The Shrine of Saint Francis of Assisi, and the Archdiocese of San Francisco, sacred relics and masterpieces from Assisi, Italy, traveled from Assisi to San Francisco for the first time ever on U.S. soil.
Come and venerate these extraordinary relics, marking the 250th anniversary of our city and the 800th anniversary of the saint's death. Draw near to the spirit of Assisi—and be renewed by the radical faith, humility, and peace of Saint Francis.

Looking for a new primary care provider in the San Francisco Bay Area?

Bella Primary Care is a Catholic, nonprofit clinic in San Francisco providing primary care, women's health, and crisis pregnancy services. Bella offers life-affirming, comprehensive, and personalized medical care to men, women, and families.
At Bella, medicine is practiced differently. Our providers take the time to listen, to investigate, and to truly know their patients. This personalized care has led to many meaningful outcomes for the families we serve.
A couple struggling with infertility received education, treatment, and support through Bella's fertility optimization program. Today they are joyful parents—without IVF.
On Christmas Eve, NP Dolores visited an elderly patient in his home, administering antibiotics and IV hydration that kept him out of the emergency department.

If you would like to experience this type of care—where providers truly take the time to know their patients—please reach out to Bella Primary Care.

A Special Year of Saint Francis of Assisi: Pilgrimage Sites

In honor of this special year of the occasion of the 800th anniversary of the Transitus (death) of Saint Francis, Archbishop Cordileone has designated several locations where the faithful may make a pilgrimage and pray devoutly to fulfill the conditions for receiving a plenary indulgence*:

National Shrine of Saint Francis of Assisi
Mission Dolores Church
St. Francis of Assisi Catholic Church East Palo Alto
Mission San Rafael
Cathedral of St. Mary of the Assumption

* To gain a plenary indulgence, in addition to excluding all attachment to sin, even venial sin, it is necessary to perform a prescribed work designated by the Church (such as praying the stations of the cross in a church or visiting one of the designated pilgrimage sites) and fulfill the following three conditions: sacramental confession, Eucharistic Communion, and prayer for the intentions of the Pope.
