## JANUARY 11, 2026

## THE BAPTISM OF THE LORD

Dear Brothers and Sisters,

Today's feast marks the end of the Christmas season, but more importantly, it marks the beginning of Jesus' public ministry. From quiet life to public ministry. It begins with the baptism. This moment is not about Jesus being cleansed. Instead, His baptism is about solidarity. Jesus enters the water not because He needs purification, but because we do. He stands with sinners, not apart from them.

It is the first great sign of His mission: God comes not to condemn us from above, but to stand with us, beside us, and for us. Before Jesus performs a single miracle, before He preaches a single sermon, before He calls a single disciple, the Father declares His love.

This is a powerful reminder for us: Identity comes before activity. Belovedness comes before mission. We often think God will love us after we get our lives together. But the Father speaks His love first. At our own baptism, something astonishing happened: Do we remember that? We were united with Christ. We became children of God. We were claimed as beloved. But baptism is not only identity—it is also mission. Just as Jesus' baptism launched His ministry, our baptism sends us into the world as: bearers of light, instruments of peace, witnesses of God's mercy, servants of the poor, and voices of hope.

The Baptism of the Lord is not just a story about Jesus. It is a story about us. Jesus steps into the Jordan so that we might step into our identity. He rises from the water so that we might rise to our mission. He receives the Spirit so that we might live in the Spirit.

God bless,  
Fr. Joseph

## Pope Leo XIV's Prayer Intention

**JANUARY 2026**

*For prayer with the word of God*

Let us pray that praying with the word of God be nourishment for our lives and a source of hope in our communities, helping us to build a more fraternal and missionary Church.

### JANUARY PROLIFE MESSAGE

#### Catechism

#### 470. What is forbidden by the fifth commandment?

The fifth commandment forbids as gravely contrary to the moral law:

- *direct and intentional murder* and cooperation in it;
- *direct abortion*, willed as an end or as means, as well as cooperation in it. Attached to this sin is the penalty of excommunication because, from the moment of his or her conception, the human being must be absolutely respected and protected in his or her integrity;
- *direct euthanasia* which consists in putting an end to the life of the handicapped, the sick, or those near death by an act or by the omission of a required action;
- *suicide* and voluntary cooperation in it, insofar as it is a grave offense against the just love of God, of self, and of neighbor. One's responsibility may be aggravated by the scandal given; one who is psychologically disturbed or is experiencing grave fear may have diminished responsibility.

#### ***Special appeal for Vietnam and the Philippines***

With deep concern for the suffering in the home dioceses in Vietnam and the Philippines of many of our clergy, Bishop Michael C. Barber, SJ, asks all parishes to consider a voluntary second collection to aid typhoon disaster relief in Vietnam and the Philippines.

**Please consider making a gift next week on January 17-18. Thank you for your generosity.**

Thank you for your continuing generous donations to the parish **St. Vincent de Paul Conference!** You are really helping to serve Alameda neighbors in need! The St. Philip Neri school families and children donated many new clothes, toys, games and gift cards to the Alameda County SVdP Community Center, where they served over 500 children at the Annual children's Christmas Celebration. And with your Christmas Giving Tree donations of gift cards, new clothing, toys and games, we were able to partner with the St. Barnabas Conference to provide Christmas gifts for 39 families and 73 children. And remember, the St Vincent de Paul recorded help line is 510-373-5226.
