We depend on the regular faithful giving of the church family to continue our mission and ministry to Portishead and maintain our church buildings. If you do not already do so, please prayerfully consider giving regularly to the church – no matter how small the sum you can afford. Visit www.portisheadparish.co.uk/welcome#Giving for more information of how to do this.

Please think of God's creation when coming to church; walk or cycle if you can or consider car-sharing. If there is anything that we can do to make worship or information about what we do more accessible please speak to one of the clergy or call Jessica in the office on 846230 / office@portisheadparish.co.uk

Prayer in August

During August we will be following a series on Prayer in our services. Each Sunday we will consider a different aspect of the amazing gift of prayer that God has given us. Our Diocese, Bath and Wells has asked churches to make this year a year of particular focus on prayer. To help us do this they have produced some resources which will be available at the back of both churches. Do please take as much as you think you can use or give away.

We are also inviting you to join us each Wednesday morning at 9.00am for half an hour to pray in the chancel at St Peter's. We promise not to put you on the spot but would love to invite you to participate in the joy that is God's people coming together to pray. Please join us.

The poster features a bright blue background with a yellow sun in the top left corner. The title 'Summer Sunday Worship' is written in a large, white, cursive font. Below the title, the text 'EVERY SUNDAY IN AUGUST' and '10.30AM' are written in bold, black, sans-serif capital letters. Further down, 'ST PETER'S CHURCH, PORTISHEAD' is written in the same bold, black, sans-serif capital letters. At the bottom, the text 'Bring a picnic and stay for lunch in the Millennium Gardens' is written in a smaller, black, sans-serif font. A small logo for 'Portishead Church of England' is in the top right corner, and a green grass border is at the bottom.

St Peter's Crack Repairs and Re-ordering – Update Summary

We are responding to serious cracking in the north-west corner of St Peter's Church. Repairing the structural damage remains the immediate priority, but the situation is also being considered as an opportunity to improve the building for worship, children's and youth provision, community use and future sustainability.

Good progress is being made by the action groups working on repairs, fundraising and possible development of the church. The structural report has been submitted to the Diocese as part of the faculty application. The PCC has also commissioned outline designs for potential re-ordering, which will be shared more widely and subject to proper consultation and faculty approval.

Members of the DAC visited St Peter's on Tuesday 30th June and met with members of the Buildings Sub-Group and our architect and structural engineer. The DAC representatives supported the proposed structural approach, which involves installing piles inside the church to underpin the unstable corner. External work was considered impracticable because of limited space near the burial plots. Further investigation, including deeper boreholes, will be required before detailed design and tendering. The repair process is expected to include external shoring scaffolding, floor excavation, piling, a concrete slab, internal steelwork, masonry stitching, making good, and an archaeological watching brief. Surface water drainage, and possibly groundwater drainage, will also need improvement to reflect climate change.

The DAC was also supportive of a draft proposal for developing the West end of the church to create space for children and youth and meetings. However, it is recognised that the repair work must remain the first priority, and we will make sure that we have the finances available to do this work before we turn our attention to further developments. Temporary netting over affected walls will take place shortly and is considered a sensible way to allow reuse of the fenced-off area.

The work is likely to take place next summer and is currently estimated at £200,000–£250,000 plus VAT. Raising this money will clearly require grant funding and wider fundraising. Inclusion on Historic England's At Risk Register has been applied for and may support this.

Fundraising has already begun. Separate fundraising programmes are likely to be developed for different projects, recognising that each may attract support from different sources. Initiatives may include community events, grant applications and wider engagement across the town, so that everyone who values St Peter's can contribute. The formation of The Friends of St Peter's has been approved, and existing church funds, including legacies, are also being considered. A prayer group meets on the first Monday of each month at 10:00 to pray for the projects.

Martha's Kitchen Children's Books wanted.

We're looking for children's books to share with local families over the school holidays — anything from preschool picture books right through to teen reads. If you have books at home that your children/grandchildren have grown out of, and they're still in good condition, we'd be so grateful. These will go straight to families who would really enjoy them this summer.

Cleaning Angels Needed!

"Whatever you do, work at it with all your heart, as working for the Lord." – Colossians 3:23
Our faithful team of church cleaners is diminishing, and we're looking for new helpers to join our rota. Just an hour or two a month keeps St Peter's looking its best for worship, weddings, funerals and visitors.

Could you spare a little time to serve in this simple, meaningful way? Please contact Kathryn Phillips on 07834 097595, or speak to Jennie McDuff or Paul Jeffrey.

Many hands make light work!

Confirmation

Would you be interested in being confirmed into the Church of England? It provides a wonderful opportunity to explore faith further and to take a step of commitment. There will be a confirmation service in **Wells Cathedral on Saturday 7th November at 7.00pm**. We would love to take a group of people from Portishead. Please speak to one of the clergy if you would be interested in exploring this further.

Sarah Bennett is leaving her role as Youth Worker at GVC after 14 years. Many of us will have benefited from her ministry and friendship over that time. On **Sunday 9 August at 11.30 GVC** will be holding a special 'Thank You Sarah' bring-and-share picnic at St Joseph's School instead of their usual morning service. They are extending an invitation to everybody to attend. More details here <https://gordanovalley.churchsuite.com/events/ptheup71>

Mark is on Sabbatical through June, July and August. Please continue to pray for him. Please take anything you would have spoken to Mark about to one of the other clergy.
