We depend on the regular faithful giving of the church family to continue our mission and ministry to Portishead and maintain our church buildings. If you do not already do so, please prayerfully consider giving regularly to the church – no matter how small the sum you can afford. Visit www.portisheadparish.co.uk/welcome#Giving for more information of how to do this.

Please think of God's creation when coming to church; walk or cycle if you can or consider car-sharing. If there is anything that we can do to make worship or information about what we do more accessible please speak to one of the clergy or call Jessica in the office on 846230 / office@portisheadparish.co.uk

Prayer in August

During August we will be following a series on Prayer in our services. Each Sunday we will consider a different aspect of the amazing gift of prayer that God has given us. Our Diocese, Bath and Wells has asked churches to make this year a year of particular focus on prayer. To help us do this they have produced some resources which will be available at the back of both churches. Do please take as much as you think you can use or give away.

We are also inviting you to join us each Wednesday morning at 9.00am for half an hour to pray in the chancel at St Peter's. We promise not to put you on the spot but would love to invite you to participate in the joy that is God's people coming together to pray. Please join us.

St Peter's Crack Repairs and Re-ordering – Update Summary

We are responding to serious cracking in the north-west corner of St Peter's Church. Repairing the structural damage remains the immediate priority, but the situation is also being considered as an opportunity to improve the building for worship, children's and youth provision, community use and future sustainability.

Good progress is being made by the action groups working on repairs, fundraising and possible development of the church. The structural report has been submitted to the Diocese as part of the faculty application. The PCC has also commissioned outline designs for potential re-ordering, which will be shared more widely and subject to proper consultation and faculty approval.

Members of the DAC visited St Peter's on Tuesday 30th June and met with members of the Buildings Sub-Group and our architect and structural engineer. The DAC representatives supported the proposed structural approach, which involves installing piles inside the church to underpin the unstable corner. External work was considered impracticable because of limited space near the burial plots. Further investigation, including deeper boreholes, will be required before detailed design and tendering. The repair process is expected to include external shoring scaffolding, floor excavation, piling, a concrete slab, internal steelwork, masonry stitching, making good, and an archaeological watching brief. Surface water drainage, and possibly groundwater drainage, will also need improvement to reflect climate change.

The DAC was also supportive of a draft proposal for developing the West end of the church to create space for children and youth and meetings. However, it is recognised that the repair work must remain the first priority, and we will make sure that we have the finances available to do this work before we turn our attention to further developments. Temporary netting over affected walls will take place shortly and is considered a sensible way to allow reuse of the fenced-off area.

The work is likely to take place next summer and is currently estimated at £200,000–£250,000 plus VAT. Raising this money will clearly require grant funding and wider fundraising. Inclusion on Historic England's At Risk Register has been applied for and may support this.

Fundraising has already begun. Separate fundraising programmes are likely to be developed for different projects, recognising that each may attract support from different sources. Initiatives may include community events, grant applications and wider engagement across the town, so that everyone who values St Peter's can contribute. The formation of The Friends of St Peter's has been approved, and existing church funds, including legacies, are also being considered. A prayer group meets on the first Monday of each month at 10:00 to pray for the projects.

Martha's Kitchen – Help Needed This Summer - Martha's Kitchen runs every Tuesday during the school holidays, opening its hatches to families across Portishead. It's a joyful piece of community work — but it's also a big weekly task.

In previous years, we've been able to move everything we need into the Methodist Hall for the full six weeks. It's heavy work, but it only had to be done once.

This year, the hall is booked for other events, which means we need to move all our equipment in and out every single week. That's a lot of lifting, loading, and unloading — usually filling at least two cars.

To make this possible, we're asking for help with setting up on Monday evenings and setting down on Tuesdays at midday. Even if you can do one date it will really help.

If you can help on any of the dates below, please contact Lindsay – 07483932608

Sarah Bennett is leaving her role as Youth Worker at GVC after 14 years. Many of us will have benefited from her ministry and friendship over that time. On **Sunday 9 August at 11.30 GVC** will be holding a special 'Thank You Sarah' bring-and-share picnic at St Joseph's School instead of their usual morning service. They are extending an invitation to everybody to attend. More details here <https://gordanovalley.churchsuite.com/events/ptheup71>

Confirmation

Would you be interested in being confirmed into the Church of England? It provides a wonderful opportunity to explore faith further and to take a step of commitment. There will be a confirmation service in **Wells Cathedral on Saturday 7th November at 7.00pm**. We would love to take a group of people from Portishead. Please speak to one of the clergy if you would be interested in exploring this further.

Situations Vacant

We need to add to our wonderful tech team who help those in church and on the livestream to be able to see, hear and participate in the worship at the 9.45 Service.

It would be brilliant to have a couple more people who could help one week a month. No great technical knowhow is required and full support and training offered. This is scope for a young person to do this in conjunction with a parent or carer. Please speak to one of the tech team or clergy if you are interested or contact Jess in the office

Urgent Need for help at St Nicholas church Tuesday morning 10.00 - 12.30.

Our Lighthouse Carers Group is short of volunteer help on Tuesday. Are you able to help please as a one-off? Could you serve tea, talk to a carer, play skittles ...? We'd love to hear from you. Please ring Jennie McDuff 07936 103084

Cleaning Angels Needed!

"Whatever you do, work at it with all your heart, as working for the Lord." – Colossians 3:23

Our faithful team of church cleaners is diminishing, and we're looking for new helpers to join our rota. Just an hour or two a month keeps St Peter's looking its best for worship, weddings, funerals and visitors.

Could you spare a little time to serve in this simple, meaningful way? Please contact Kathryn Phillips on 07834 097595, or speak to Jennie McDuff or Paul Jeffrey.

Many hands make light work!

Let's Crack This Together

On Monday 27th July the netting will be put up in the North West Corner of St Peter's Church (where the crack is).

People may come and go, but there will be some noise and disruption taking place and they cannot access this area whilst the workmen are here.
